# 1 - Dreams

I have had dreams of the same people for 4 years; they look about 15 years old. There are 4 boys and one girl. Let me describe them to you...

Blonde hair boy: Likes to wear dark clothes/quiet/calm/keeps to himself/not many friends...does he have friends? /has a sword as a weapon

Black hair boy: Likes the color blue/has some friends/ loud/active/caring

Red hair boy: likes light colors/doesn't have friends; he has acquaintances/calm/thoughtful/caring/ knows martial/can fly if need to

Brown hair boy: wears anything/has a little more than an average amount of friends/thoughtful/clumsy/has a gun as a weapon

Brown hair girl: wears dark clothes; grey dresses/carries a broom stick around/has an average amount of friends/thoughtful/loving/uses oracle cards as weapons

What do u think me dreams mean?
