This is based on the terrorist attacks on 9/11/01. I made this because I had friends and family who dealt with this in a hard way... I decided to give them hope... worded hope, for their sakes... here you go... have fun.

9/11 Alone

Ariel Rodrick

Lonely, all alone in a world of my own,
Crying alone on a still little window,
The sun is not out, the world is all dark,
An eclipse is a comin there is no doubt,

The cats are a-wailin , The dogs are a-screamin ,
The clouds are a-movin , away when they come,
So many trees are burning, now all ablaze,
A crimson-red fire, consuming them all,

Wait! The sun is now back! Humanity is saved,
But there is no sure agreement, that we will not die,
We witness the evil of terrorists, nigh, They attack,
Our world is in danger, but I ve got your back&
