Do unto me

You'll never see

It's only till I come

Until then, I be undone

Chained up in your fears

Wounded by your tears

I never wanted this

I never really imagined

As if reading my mind

Mutating our bind

You saw it coming...

Do unto me

You will never see

It's only till I come

Until then, I be undone

Here we are again

Stuck in the same battle

Voices through my head

Always flowing misled

What are you to help?

Do you even bother?

You, forever nothing...

Do unto me

You will never see

It's only till I come

Until then, I be undone

I'm just a bag

You constantly punch

You never notice

You never stop

I plead, I plead...

Beg of you please...

Do unto me

You will never see

It's only till I come

Until then, I be undone

Do unto me

You will never see

It's only till I come

Until then, I be undone
