## 0 - Intro~ Enter Ishizu Yamanuri

The clan's council gathered in the room, along with the Hokage.

"Now, to address the issue," he said. "The war between your clans' dragons is coming to a climax. Unfortunately, Exodus is winning. What are we to do about this?"

The council members sat in silence, until the clan leader let out a large sigh. "My wife is soon to birth a child. I believe that I could seal it in *that way*."

There was another long pause. After a while, the Hokage spoke again. "So you plan to seal Exodus inside the heir to the Yamanuri clan?"

"There is no other way, is there?"

"I guess there's not..."

As they spoke, the Lady of the Yamanuri clan went into labor on the other side of the mansion. A medical ninja that had been following her around for about a week now, took her to the birthing room.

A scream was heard throughout the castle, and a giant blast of fire sent it ablaze. A newborns' cry could be barely heard above the roar of the fire.

"Quickly Kai! You must seal Exodus!" yelled one of the clan elders.

"Right!" yelled back the leader. He ran to the birthing room, where his wife sat, holding the frightened baby girl. "Set her down Kairi. It's the best for our clan." She grudgingly obeyed. He raised his hand, and chakra emitted from his fingertips. "Five Pronged Seal!" he yelled, and brought his hand down right between the baby's shoulder blades. He raised both his hands, and chakra swirled around them. "Eight Pronged Seal!" and he brought his hands back down to the child's back.

The black dragon was sucked into the room, and the baby screamed as it was pulled into her body. Just before the dragon was completely sucked in, it let out one last roar, and a blast of fire.

The two parents fell to the ground.

# 1 - Chapter-o Uno

The young girl slipped on a black tank-top and walked out to the foyer. She sat down and put on her black ninja shoes.

A woman with aged features and whitened hair came up and handed her a bag. "Here's your lunch Ishizu."

"Thanks Auntie." she said gloomily.

"Now, you promise to have a good time today, alright?"

"Okay."

"Pinkie?"

She laughed a little. "Alright, Auntie." she said as she linked fingers with the older woman.

"Now there's that smile! Lets keep it there!"

"Okay! Bye Auntie!" she said as she walked away slowly, towards the boundaries of the Yamanuri clans' block of Konoha.

'*The poor girl.*' thought her Auntie. It would be her first time to ever leave the Yamanuri clans' walls. She had never even had any friends because of that dragon inside of her. Heck, if that medical ninja hadn't have escaped, they wouldn't even have known her name.

As she came to the gates that opened up to Konoha, she gulped. She quickly gathered up her courage, and walked on down the dusty road that lead to the Academy.

\*\*\*

She waited outside the door, until she heard the teacher call her in.

"You may come in now!" came the call from the other side of the door. She walked up and opened the door, then timidly walked into the room. The teacher walked over to her and put his hand on her shoulder. "Now tell the class your name."

"I-ishizu Yamanuri."

There was a chorus of "Hi"s and "Hello"s from the class.

"you may sit where ever you choose."

"A-alright."

There was a small group close to the front with an open seat, so she decided to sit there. The group was made up of a girl with a silver bang and brown for the rest of her hair, who's face was covered up by a silver mask. The other people in the group were a boy with brown hair and a long scar across his nose, a boy with shaggy silver hair, a girl with mousy brown hair, a boy with spiky brown hair, a boy with spiky black hair, a girl with purple markings on her face, and another boy with spiky silver hair and a mask like the girls', only it was black.

As soon as she sat down, she was surrounded by chatter, until the girl with the mask shouted, "YO! We need to introduce ourselves!"

"Oh, right!" said the girl with the purple marks.

"I'm Dani," she pointed to the rest of them as she said their names, "That's Iruka, Asuma, Kurenai, Mizuki, Rin, Obito, and Kakashi."

"H-hi." she stuttered as she blushed lightly.

"I love your hair!" said Dani, while she fingered the dirty-blonde locs. "Can I mess with it sometime?"

"S-sure I guess."

"Alright now class!" yelled the teacher. When it was quiet again, he spoke. "As you know, the graduation exams will be in a few days. So, let's practice the jutsu you will be required to do, The Shadow Clone."

"Awww maaan!" came a groan from most of the class. All except for Dani and Ishizu.

"What are they groaning for?" asked Ishizu.

"I know right? It's one of the first jutsu's that I learned!" said Dani.

"What!?" exclaimed Iruka, "That's one of the hardest for academy students! Not to mention that we just learned it!"

"Really!? But it's so easy!"

"Alright now class, calm down!" shouted the teacher. "Line up in the front of the room, and we'll get started."

The class lined up in the front of the room. The teacher went down the row, calling each student forward. Finally, he came to the last three in line: Iruka, Dani, and Ishizu.

"Alright Iruka, your turn."

He walked up in front of the line and did the hand signs, then yelled "Shadow Clone Jutsu!" A puff of smoke appeared, and on the floor, lay a very deformed copy of Iruka. On sight, everyone in the class

started to laugh, except for the small group of friends.

Iruka sighed and trudged back to where he had been in line.

"It's okay Iruka," said Dani, patting him on the back, "Just practice it at home, and you'll get it!"

"T-thanks Dani-chan" he said, a slight blush.

Next up was Dani. She walked on front of the line, just brimming with confidence, knowing that this would be easy.

Of course, she performed it perfectly. Next up was Ishizu. The last in line. Always wanting to be the farthest away from the center of attention.

She walked forward as had everyone else, and performed the hand signs. "Shadow Clone Jutsu!" Once the smoke cleared, there wasn't just two Ishizus. There were five, over twice as much as needed.

"Very nice Ishizu!" said the teacher."

"Th-thank you."

\*\*\*

After the bell, the class ran out of the classroom.

"How did you do that Ishi-chan!?" exclaimed Dani.

"Ishi-chan?"

"Yeah! It's a nickname!"

"Oh.."

"Now answer the question!"

"I-i don't know. It was like some wierd surge of chakra ran through my body. Like, if chakra had a color, it would be blue, but this feels... black.

## 2 - Chapter Dos (ESPANIOL!! XD)

A few days had passed by now, and Ishizu had grown more confident walking around Konoha. She had learned more about her new friends, and she had grown more social.

Today was the day of the Graduation Exams, and she was P.U.M.P.E.D!!!!

"Bye Auntie! See ya' later!" she called as she ran towards the gates.

*'She's come so far out of her shell.'* thought Auntie, smiling inwardly.

Ishizu ran all the way to the academy, without stopping even once.

Once, she was in the classroom, she plopped down in her usual seat, between Dani and Kakashi. "Hey guys!"

"What up Ishi-chan?" asked Dani, giving her a high-five.

Every one else just starred at them as if they were the two wierdest things on the planet.

"Why are you two so happy? This is the hardest Academy Exam!" asked Mizuki.

"CUZ' I'M PUMPED TO BE A NINJA!!" they shouted at the same time.

"Alright now everybody, calm down while we tell you about today. You will go into the room across the hall one at a time, and you will each be asked to performed the jutsu that we practiced. Then you will come back inside. Although, If you have a friend that you want to wait on, you may wait for them while they are in the other room."

The list grew shorter and shorter with each name called. Finally, it was Dani's and Ishizu's turns.

"Alright! We take it one after another!" shouted Dani.

"Yeah!"

The two walked through the door, across the hall, and Dani walked into the room.

A few minutes later, she walked out, a big grin on her face, and a headband in her hand. They both let out a squeel and did the 'happy dance'.

Ishizu walked in next. As she went inside, she saw the Hokage and two other people at a desk on the opposite side of the room.

"You know what to do." said one of the judges.

'So *this is the child that Exodus was sealed in.*' thought the Hokage.

"Shadow Clone Jutsu!" she yelled, and another Ishizu formed right beside her.

"Great, Ishizu, those are perfect." said the judge, and handed her a headband.

She hid the headband in her pocket, and tried to put on a sad face. '*This'll be a great trick for Dani!*'

She walked out, and Dani saw her sad expression.

"What!? How could you not pass!? With all those clones you made a few days ago! I mean..."

Ishizu's sad face had turned into a snicker as she pulled the headband out of her pocket.

They both squealed and did the happy dance again. Once they had stopped, they burst back into the classroom where their friends were waiting. "VICTORY IS OURS!!!!" they yelled.

"YEAH!!!" They yelled as they ran back over to their friends. "WE DID IT!!!"

"GREAT!" yelled Mizuki, Iruka, and the others. Well, all except for Kakashi... he's to *cool* for that. (ego-much!! XD)

It turned out that every one passed, and they all planned to have a big party to celebrate on Saturday.

### 3 - SHORT!!

The next day, they all filed into the classroom. They were going to be placed into teams today.

"Alright, lets see..." said the teacher. "Team 1: Ishizu, Dani, and Iruka!"

"ALRIGHT!!" The three yelled, slapping hands.

"Team 2: Kakashi, Obito, and Rin!"

"YES!!" yelled Obito and Rin, punching the air. Kakashi just sat there. (EGO PROBLEM THERE!!)

"Team 3: Asuma, Kurenai, and Mizuki!"

"YEAH!" they said, clapping hands.

"WE ALL GET TO STICK TOGETHER!" yelled Dani and Ishizu, *clearly* very excited.

## 4 - The Partay!

That Saturday, the group met at Ishizu's house, where her and her Auntie had set up all of the decorations. Her Auntie had said that she would go to her old friends' house, so that they could have their privacy.

The music was already turned up on max when they came in. "YO ISHI-CHAN!!! TURN IT DOWN!!! WE'RE HERE!!!" yelled Dani.

They heard the music level drop by A LOT, and Ishis' head popped up around the doorway, and then she came into the foyer. "Hey guys! come on! Me and my Auntie tricked out everything!"

As they walked into the room, they all stared around in shock. There was literally EVERYTHING that they needed to throw a party. A HUGE sterio, TONS of sodas and junk food, video games, and everything else that you could possibly think of!

"WOAH!! Ishi-chan, are you loaded or something!?" exclaimed Asuma.

"Uhhh.... maaaaayyyybbbbbeeeeeee...." she said, trying to withstand laughing at their faces. she ran back over to the sterio, and yelled, "LETS DANCE!" as she turned the music back up to the max.

They all ran over to the dance floor, which had a floor that glowed. All except for Kakashi. He didn't *do* dancing. Nobody really noticed, they were having to great of a time.

After a while though, Ishi saw him standing off to the side, and ran over to him. "Come on Kakashi-kun!" she half yelled, half whined, while tugging on his arm. "You just *can't* miss out on *this* fun!"

"Tch."

"OH COME ON!!! PARTY POOPER!"

He didn't give her an answer.

"Oh, fine."She ran back over to where everyone was dancing, and turned down the music. "Hey everyone! Since Kakashi-kun's being a MAJOR PARTY POOPER, we're gonna try something different!"

"Like what!?" asked Dani.

"You'll find out! Okay you guys, grab all the junk food and stuff that you can and sit it down over there!" she said, pointing to the middle of the room. "I'll be right back!" she ran into the kitchen, and opened the cabinet. She scanned it for what she was looking for. "Here it is!" she exclaimed, as she pulled out an empty soda bottle.

When she went back into the other room, she saw that they were all ready sitting around in a circle

around the huge pile of food.

"Okay everyone, grab what yu want from the pile! we need the middle of the circle!"

They all grabbed some soda bottles and at least one bag of their favorite chips. Well, except for Kakashi and Dani, who kept their masks on.

While she was munching on a handful of ranch-flavored chips, she put the bottle in the middle. "We're gonna play 7 minutes in heaven!"

"Oh... my... God... Whoever knew that you were such a pervert Ishi-chan!?" said Obito.

"Oh STFU Obito! I'll go first!" she said as she reached out for the bottle. She spun it hard, and the bottle went around fast. Once it finally slowed down, it landed on, *'Mizuki... Obito... Iruka... Asuma... ohmyGod not him! NOT HIM!!!* But it did land on him. K.A.K.A.S.H.I. "Ah crap."

"How the hell do you think I feel!?"

"Riiight... NOT HELPING!!!!"

"SNCE YOU TWO ARE ARGUING!" shouted Dani over the two of them, "... You have to go in the closet for... 30 minutes!"

"Dani, I hate you." said Ishi.

"Awww, I wuv you too Ishi-chan. NOW GET IN THE CLOSET!!" she yelled pushing Ishi into the open closet.

Asuma pushed Kakashi in as well.

"ONCE I GET OUT OF HERE, YOUR ALL DEAD!!" screamed Ishi through the locked door.

There was a pause on the other side. "You have to do something in there! Or els you'll have to stay in there longer!"

"I HATE YOU ALL!!!" Ishi screamed again.

The two of them in the closet sat down on the floor, glaring at each other.

After a while, Kakashi asked, "What's it gonna take for you to stop giving me a death glare?"

"Hmmm... if you find us a way out of here, I would gladly stop."

"Riiiggghhhhttt... any other way? Cause I don't really see that happening."

"Nope."

## 5 - The Partay! (continued)

MAN!! I CANT KEEP TO MY PROMISE OF A CLIFFHANGER!!! I JUST CANT STAND IT!! MUST WRITE MORE!!!

~~~~~

"Aaaaaannnnndddd..... TIMES UP!" yelled Kurenai, opening the door.

Well... a WIERD scene fell out before them. Ishizu had a HUGE blush all over her face, but it also looked like she was trying to **kill** Kakashi.

She waved him the finger, and then stepped out, back onto the floor, and sat down. "I hate you all." she said in the scariest voice she could create, still blushing.

"Yeah, yeah, we all know that you enjoyed it." said Obito.

"Ooooookkkaaayyyyy... and now **you** get a death note."

They all sat back down, and this time, Dani spun the bottle. And it landed on... '*Kakashi EW!... Mizuki... Asuma... Obito... OMG.*' It landed on Iruka.

A smirk spread across Ishis' face. "MY TURN TO PUSH YOU IN!!!" she yelled as she shoved Dani into the closet, along with Iruka.

The door closed, and they waited on the other side, straining to hear past the door.

\*\*\*\*\*

Eventually everyone except pore Mizuki went into the 7 minutes in heaven, or in Ishis' case, 30 minutes in heaven. And since I'm a lazy-@\$\$, I'll just give you who went into the closet:

Ishi and Kakashi  
Dani and Iruka  
Asuma and Kurenai  
Rin and Obito

## 6 - OMG SCARY (sort of?)

They had done EVERYTHING imaginable at the party, and now they were getting bored... soooo.....

"LETS WATCH A MOVIE!!!!!" yelled Ishi, *clearly* very jacked up on Mountain Due.

"OMG A SCARY ONE!!!" shouted Kurenai, also very hyped up.

"SWEEEEEEEET!!!!" yelled Dani.(somehow she got a sugar rush! HOW!?!?!?!? I DON'T KNOW!! >:D)

"I'll go find one!" yelled Ishi, running to her room and looking through her DVD collection. "Lets see.... Whats this?" she asked, looking at an unmarked recorded DVD.

She walked back down the stairs and into the room where every one was waiting.

"What is it?" asked Asuma.

"I don't know... lets pop it in and see!" she said, going over to the DVD player. She put in the disk and....

"OHMYGOD!!!! THE SUPREME EVIL!!!!!"

"IT'S THE ANTI-CHRIST!!!!!"

"MY EYES!!! THEY BUUUUUUUUUURRRRRN!!!!!"

"I THINK THAT MY BRAIN IS MELTING!!!!!"

"I HAVE BEEN MENTALLY SCARRED!!!!!"

"TAKE IT OUT!! TAKE IT OUT!!!!!"

"SOME ONE GOUGE OUT MY EYES!!!!!"

It was a crossover of.... THE TELLITUBBIES, BARNEY, AND ELMO!!! >:D!!!!

Ishi quickly ran back over to the TV and took out the DVD. "OhmyGod... why does Auntie even **HAVE** that in there!?"

"I... don't... know..." said Rin, slowly uncovering her eyes.

"Okay... now I'm gonna make sure that the next one is **LABELED**." said Ishi, walking back up the stairs.

She scanned the shelves again, and saw what she was looking for. She quickly grabbed it and ran back down the stairs. "I got it! The IT!!!"

"OhmyGod I haven't watched that in FOREVER!!!" said Mizuki.

"This one always freaks me out!" said Dani.

"I'll go make popcorn!" said Ishi as she went into the kitchen.

when she came out, she carried four huge bowls full of popcorn. "We'll have to share, these are the only popcorn bowls that I could find."

"Uhhh.... Ishi-chan... THOSE ARE HUGE!!!" shouted Iruka.

"I know! Isn't it great!"

"Basically, yeah."

She put in the DVD, pressed play, and they started in the movie.

"OMG don't follow him! Don't follow him!" whispered Ishi, trying to hide the closest person to her. Unfortunately, it was...

"What the hell Ishizu?" asked Kakashi.

"Huh? O-oh, sorry Kakashi-kun." she said, slowly moving away from her hiding place behind his back.

After a while, both Ishi and Dani were getting very freaked out... and then...

"OHMYGOOOOOOOD!!!!" they screamed together, throwing their bowls of popcorn into the air. And it landed on... KAKASHI'S AND IRUKA'S HEADS!!! >:D (Ain't I EVIL!!)

"S-sorry Kakashi-kun." said Ishi, starting to pick some of the popcorn out of his hair.

"Y-yeah... me too Iruka-kun..." said Dani, also playing 'pick the popcorn out of the ticked boy's hair.'

## 7 - UR ALL NOOBS!!!! >:D

They ended up watching about 2 more movies before they all passed out in various places on the pillow-covered floor. Although they were fairly spread out, there were still small groups.

Ishi rolled over and her foot landed on Kakashi's chest. His leg ended up sprawled over her stomach. Dani, Mizuki, and Iruka were spread out on the couch. Iruka was up-side-down, Dani's head on his stomach. Mizuki ended up with her foot in his face. Asuma and Kurenai were spread across each other like a giant X.

Ishi slowly stirred, and opened her eyes, squinting at the sunshine in her face. She got up moved Kakashi's leg, looking at the clock. "OHMYGOD!!! WE OVER-SLEPT!!! WE GOTTA GET TO THE ACADEMY!!!"

"WHAT!?!?!?!?" screamed Dani, shooting up from her place on the couch.

"OH CRAP!!!" yelled Asuma, jumping up and sending Kurenai flying.

They all ran out of the door at full speed... well... everyone but Ishi.

"WHAT THE HELL ISHI-CHAN!!! WE GOTTA GO!!!!" yelled Mizuki.

"No we don't."

"WHAAAAAAAAAAAAAAAAAATTTTTT!!!!!!!!!!!!!!!!???????"

"I said, no we don't. Its **SUNDAY** you idiots." She burst out laughing and fell onto the floor. "PAYBACK IS SO SWEET!!!"

She wound up with about 2 dozen pillows all being thrown at her at once. At high speeds. Oh shoot.

"TAKE COVER!!!" she yelled, running behind the couch.

## 8 - [insert awesome chapter name]

The next day, Ishizu, Dani, and Iruka were sitting in the one of Academy's classrooms, EXTREMELY bored.

"When the *hell* is our sensei gonna get here?" steamed Ishizu. "This guy's even worse than Kakashi!"

"I don't know... but this is kinda retarded. *Every other team* has gotten their senseis, and we're stuck here." said Dani. At this point, Ishizu had proceeded to hit her head on the wall multiple times, out of supreme boredom.

Iruka, being the class clown, had already thought up a *brilliant* plan to greet the new Sensei. A rope had been rapped around the handle of the sliding door, and had been rapped around one of the rafters. The rope then continued to a small shelf right above the door, where a bucket of who-knows-what, was waiting for its unsuspecting victim.

"Oh my god Iruka that's brilliant." said Ishizu.

"Thank you, thank you." he said jokingly, bowing.

At that moment, their sensei walked into the room. As the bucket started to fall, the blonde jumped up and kicked it, sending the contents (which were now guessed to be glue) flying into Iruka's face.

"ALRIGHT! WHO'S THE SMART-@\$\$!?" she yelled. Clearly afraid, the two girls pointed at the only boy of the group.

"Alright... this time... I'll let you off with a warning... but NEVER AGAIN! YOU HEAR ME!?"

"Y-yes ma'am." said Iruka.

Taking a deep breath, the blonde sensei said, "Alright... now, introductions!"

\*later, on the roof\*

"Alright, now, who's first?" she asked.

"Wouldn't you go first sensei?" asked Ishizu, "I mean, we don't even know your name yet."

"Alright, then. My name is Tsunade. My last name isn't really important to you. Age... nun-ya. Same goes for weight. Hobbies... none, really, just a medical ninja. I like.... um... I dislike... ah screw it. Now, your turns!"

"Okay, I'll go! My name is Ishizu Yamanuri, I'm 12 years old, and I'll be 13 in about 9 months. I like to sing, play guitar, write fiction, and draw. U-um... I-i've got a little crush... n-nothing big... (BLUSH) I don't

like it when people are treated like outcasts."

"Daniel. Dani for short. I'm also 12, but I'll be 13 in about 6 months. Umm.... I like to mess with people's hair! I don't like it when people are lonely, or they feel bad! U-uhm... about the boys..." (B.L.U.S.H) Ishizu then pushed her teasingly, snickering.

"Iruka Umino. Same as the girls on age. Ummm.... PRANKS!- uh, I mean.... yeah..." He never finished, his blush matching Dani's.

"Hmmmmm. alright then. Meet up at the training field tomorrow at around 9:00 for your first day of training." said Tsunade. She jumped off the roof, and then vanished.

"Well... that was basically pointless... I mean... WHAT THE CRAP!? WE WAIT ALL THAT TIME JUST FOR THAT!? AND NO TRAINING TILL TOMORROW!?" yelled Ishizu.

"Man... this sucks... I was hoping for at least some simple training..." said Dani.

\*TSUNADE'S POV\*

'Hehehe... I can use that information in the training tomorrow... now to do some reconnaissance...'

## 9 - Reconnaissance

(Remember people, Tsunade is in hiding some where around our favorite soon-to-be Jounins during the entire chapter.)

Ishizu was literally taking her anger out on the dirt under feet, she was so pissed. With every step, she would either kick up a cloud of dust, or stomp on the ground. '*DAMN SENSE!!!! I WANTED TO frackING TRAIN TODAY!!!!*' she thought. Just then, a brilliant idea popped into her head. She rushed towards home, knowing just what she needed to calm down.

\*\*\*\*\*

With the guitar case slung around her shoulder, she headed off for the training fields. She loved to find the perfect cherry-blossom tree and just unwind, singing and playing her guitar. Since she had never been allowed to leave the Yamanuri clans' walls, she had taught herself to play the guitar, and she had found that she truly did have a good voice for singing. Every now and again, when Auntie was taking a nap, or was extremely busy, she would sneak out here and play.

Ishizu found her usual place under a huge cherry-blossom tree, which was right beside a small pond. she sat down in one of the gaps between the roots, un-zipped the guitar case, and put the acoustic around her neck.

She started to gently strum, doing a small warm-up before starting to sing. After the warm up, she started to play the tune to a song, making sure no-one was around, and sang.

*"I've been away for a while now,  
you've got me feelin' like a child now,  
cause every time I see your bubbly face,  
I get the tingles in a silly place.*

*It's starts in my toes,  
and I crinkle my nose.  
Wherever it goes, I'll always know.  
You make me smile,  
please stay for a while, now.  
Just take your time,  
wherever you go.*

*The rain is fallin' on my window pane.  
We are hidin' in a safer place.  
Under cover, stayin' safe and warm.  
You give me feelings that I adore.*

*They start in my toes,*

*makes me crinkle my nose.  
Wherever it goes,  
I always know.  
You make me smile,  
please stay for a while, now.  
Just take your time,  
wherever you go.*

*What am I gonna say?*

*When you make me feel this way?*

*I just... nnn....*

*And it starts in my toes,  
makes me crinkle my nose.  
Wherever it goes,  
I'll always know.  
You make me smile,  
please stay for a while, now.  
Just take your time,  
wherever you go.*

*Dadadadadaduuu, dudududududu, badumbadumbadaduu, nn nn...*

*I've been asleep for I while now.  
You tuck me in just like a child, now.  
Cause' every time you hold me in your arms,  
I'm comfortable enough to feel your warmth.*

*It starts in my soul,  
and I lose all control.  
When you kiss my nose,  
the feeling shows.  
Cause' you make me smile,  
baby, just take your time, now.  
Holding me ti-i-ight.*

*Wherever, wherever, wherever you go....*

*Wherever, wherever, wherever you go....*

*Ooo-oooh wherever you go...*

*Always know...*

*cause' you make me smile,  
just for a whi-i-ile..."*

That was one of her favorites. It always calmed her down.

"And who was that for?" a voice came from just behind and above her. Hearing it, she blushed madly and jumped. She hated it when someone listened to her sing. She thought that it was embarrassing. *And*, of *all* the people it had to be, she had hear *him*, which just made her blush even harder.

"O-oh! I-it was j-just for me... I-i always sing and play my guitar to c-calm me d-down when I'm really mad... th-thats one of my favorites..."

"Oh really?" retorted the silver-haired boy.

"Y-yeah... M-my sensei really pissed me off... we didn't even *do* anything! All we did was wait *forever* for her, and then we just *talked!* **TALKED DAMN-IT!!!**"

"Thats funny, sounds just like mine."

"Ookaaayyy... so... apparently the official first day of being a ninja is suppost to suck..."

~~~~~

CLIFFY! Dun worry, I'll type more tomorrow, I have to get off the comp. for now! TATA!

## 10 - Reconnaissance [part 2]

Ishizu and Kakashi had stopped by her house and dropped off her guitar, than headed towards The Ichiraku.

As they reached the small ramen shop, Kakashi said, "I'll see ya' later. Rin and Obito told me to meet them soon."

"Alright, see ya'!" she waved as she watched him walk off.

"DAMN IT!" she heard a yell from inside. Ishizu lifted the small curtain, and walked inside to see Mizuki and Iruka.

"Hey guys! Why all the yelling?"

"Oh, hey Ishi-chan." said Mizuki, "We were yelling 'cause we thought we might get to see whats under ol' Hatake's mask. Your the only one of us who's ever seen it."

She blushed a little, remembering the party. "Ah, well. you want some ramen? I'm buyin'."

"Sure! Thanks guys!" Almost as soon as she said it and had sat down, a bowl of noodles was sitting in front of her. She grabbed the chopsticks and quickly said, "Itadakimasu." Before scarfing it down.

The boys just watched her. Ishizu noticed and glanced up. "Whap?" she still had a mound of ramen in her mouth.

"Uuhhhhhhhhh...."

She swallowed her ramen and said, "What? I was hungry. I didn't have a lot of breakfast!"

"Oooooooooookkkkkkkkaaaaaayyy..."

She gave them a glare, and as she was finishing, Dani walked in. "Hey guys!"

"Hey Dani! Watcha' up to?" asked Iruka.

"Well, I figured that since Sensei didn't train us any, we'd get in some ourselves!"

"Sure!" said Ishizu. "You wanna come too Mizuki?"

"Alright."

*\*Later, at the training field\**

"Okay, so who wants to pair up?" asked Mizuki.

"I guess I'll fight you." said Ishizu.

"Sure, and then, how about we switch up?"

"Alright."

The two groups split up to opposite sides of the field, and got into their fighting poses.

"Aaaaaaaaaaaaaannnnnnnnnnndddd...." said Dani in a loud voice, "... GO!"

#### **\*Dani and Iruka's fight\***

They rushed at each other, and started throwing punches and kicks. They ricocheted off of each other, and Iruka threw a kunai. Dani did a quick back-flip and dodged it, throwing her own small barrage of shuriken.

Iruka jumped and dodged, although one shuriken did scathe his shoulder. He quickly rushed Dani, and started to throw more punches and kicks.

#### **\*Ishizu and Mizuki's fight\***

Ishizu quickly started off with one of her fire style jutsus. 'Fox, horse, rat, tiger!' "SUPER-SPRINT! BLAZING BLADES!" She rushed at Mizuki, two blades extending from her wrists, which were, amazingly, on fire, and *not* burning her.

'What the hell!?' thought Mizuki. He dodged, although just barely, and Ishizu retracted her blades. She didn't like to use them for long, keeping them ablaze took up a lot of chakra. And, after all, she *had* just learned it.

She pulled out a barrage of kunai and threw them at him. Mizuki dodged, and started his own attacks.

#### **\*About an hour later\***

Everyone was sitting under the shade in sweaty lumps, panting hard.

"Oh... my... god.... that was quite possibly the hardest I've trained in about a month." said Mizuki.

"Hooolllllllyyyy craaap.... I. am. worn. out." said Ishizu.

Dani and Iruka were too tired to even speak.

## 11 - Training

Ishizu, Dani, and Iruka met up the next morning at the same spot where they had gone yesterday to train. They waited for their Sensei, until, finally, she came.

She pulled out two bells (yes, I'm stealing that training method), and said, "We're going to start out... with a survival exercise."

"But, we did those all the time in the Academy! Why are we doing another one!?" asked Ishizu.

"Ah, but this is different than the ones from the Academy. You see these bells? You have to get them from me in this training. You must treat it as though it was the most important mission of your life. To me, this is your last test before becoming official ninja. And, if you don't get one of the bells, you will be tied to that log over there, get no lunch, and watch the ones who *did* get bells eat.

"WH-WHAT!?!?!?!?!?" yelled Dani.

"You heard me. Now... GO!" she yelled. Immediately, the three gennin jumped away and into the shadows and leaves. They split up, leaving Tsunade to find them. She quickly picked up the different spots where she could sense chakra tensing inside the children's bodies.

(OH. MY. GOD. I CAN'T THINK OF ANYTHING FOR TSUNADE'S FIGHTS WITH DANI AND IRUKA!!!! DX So I'm just gonna skip to Ishizu's, since I already thought hers up.)

Ishizu watched as Dani retreated back into the shadows, after getting *very* close to getting at a bell, but failing. She then saw Tsunade head off in the other direction. '*Probably towards Iruka.*' she thought. She jumped down from the tree and scanned the small area where she had just witnessed the fight. Apparently, Dani had already started toward another part of the field.

\*\*\*

Little did she know, Tsunade didn't go towards Iruka, but stayed close to the small clearing, watching Ishizu. '*Heheheh... perfect.*' she thought. She did some hand signs, and initiated her genjutsu.

\*\*\*

(remember people, genjutsu+reconnaissance= BAD!!!!!!!!!!!!)

"Hey Ishizu, what up?"

When she heard the voice, she jumped, and backed up into a tree. "What the hell Kakashi!? I'm in the middle of my training!"

"Oh really?" he asked, (\*cough\*GENJUTSU\*cough\*) walking closer to her.

"Yes, really! Now go away! I have to gather information, damn-it!" He didn't retort, only kept walking

towards her. (\*cough\*GENJUTSUDAMNIT\*cough\*) "Kakashi? What the hell?" Still no answer. Know, he was less than a foot from her, and her blush was about as red as a tomato, and spread all over her face. "K-kakashi-kun!?" Less than 7 inches now. Soon she could feel his hot breath on her face, and saw him start to remove the mask. '*OH MY GOD!!!!*' she thought. Suddenly, a ton of kunai hit the (\*cough\*FAKE\*cough\*) Kakashi in the back, sending him to the ground.

Ishizu stood there, paralyzed with shock, her eyes wide in their sockets. Suddenly, a voice reverberated through her head, making her clutch at its sides.

'You want to help that boy, don't you?' the voice said. She could feel her body weaken, and sweat covering her body.

'*Wh-who are you!?*' she held back a scream, the pain was growing fast.

'*Why, my dear child, I am Exodus!*' She couldn't take it anymore. Ishizu let out a scream of agony. Her body felt like it was on fire, sweat drenching her to the bone. Her head felt like it was about to split open. She screamed once more, and then fainted.

~~~~~  
OH. MY. GOD. This chapter KICKED. MY. @\$\$\$. even though it was a little short, it was hell to write. But, I have to say, it's been my favorite so far. But, most likely, the next one will surpass even this one! YAY!

## 12 - Hospital

Tsunade quickly released the genjutsu and rushed over to Ishizu, checking her temperature and pulse. She quickly picked her up and shouted, "TRAINING IS OVER! REPORT HERE, STAT!"

Iruka and Dani quickly ran up to her, worried looks on their faces. "What happened to Ishizu?" they asked at the same time.

"No time to explain, we have to get her to the hospital before she overheats! She's burning up, and I don't have any of my medical gear!"

They quickly ran through the trees and across the rooftops towards towards the large gray building. As they ran inside, Tsunade ran up to the front desk, shocking the younger girl behind it. "I need Shizune, now! I need her help to cool the girl down!"

"Y-yes Lady Tsunade! Of course!" As the girl picked up the phone to reach Shizune, Tsunade had already rushed towards the Emergency Room, leaving her students behind.

*\*Later, in Ishizu's hospital room\**

Ishizu was propped up in her hospital bed. And, although she was still unconscious , a war was raging in her head.

*'Why are you here!??'*

*'Because I was forced in.'*

*'But, why are you in my head!??'*

*'My dear child, I am not in your head. I'm inside of you!'*

*Just then, it was as if Ishizu was inside herself. She walked down the dark hallway, until she saw giant bars, extending upward until she couldn't see them.*

*'Hello, child' a voice came from inside the bars.*

*'A-are you Exodus?" she asked.*

*'Why yes, my dear child, I am.'*

*'B-but why did you just barge in like that?'*

*'Did you not want to save that boy? My dear child, I can give you power beyond your wildest dreams!'*

*'N-no..... NO! NO! I WILL NEVER LISTEN TO YOU!!' she yelled, running towards the end of the hallway*
