## Emotions

B.M. Haacke

First you're glad,

Then you're sad.

And when you become mad,

You might have been had.

So don't be afraid

To show what you're mad of.

Show that you do have emotions.

Like depression and love.

Just feel it, accept it.

These things never change.

Just let them fly, your emotions.

Let them feel in their range.

So you can be happy,

Or maybe sad, or even mad.

Just know when you feel that,

You may have been had.
