**Chapter 1 - When I First Saw You**

**2**

# 1 - When I First Saw You

When I first saw you,  
I wondered who you were.

And what you were like,

Now I just wonder why,

I can't bring you into my life.

I wonder what other see in you,

And though I damn myself by doing so,

I'll stay with you until times ends.

I've heard what they say,

And I don't really care.

I love you,

And no matter what they say,

That won't turn me against you.

I've loved you for a long time,

Since the day I've first saw you.

I don't care what they say,

You're my heart and soul.

I've heard some bad things,

But that makes the good come through.

You're an angel in my eyes,

And you always will be.
