Chapter 1 - My Heart

2

1 - My Heart

With everything you do,

I think of you forever,

While I write these words.

Or while I do what I do,

You are my spirit forever more.

I've always admired,

Everything about you

You've shown me,

What I've needed to see.

You've been there for me,

When I've needed a shoulder to cry upon.

Or when I needed a friend to be with,

I looked to you often, yet few know why.

It's the fact that I love you,

And I always will.

Not matter what others say,

I love you and always will.

You won my heart,

From the day we met.

I've never had the courage,

To say how I feel about you.

Yet now it seems,

Very few words,

Can express how I feel.

But it seems the easiest way,

Is just to say I love you
