Chapter 1 - Once I Saw You

1 - Once I Saw You

Once I saw you,

There was no turning back.

Though at times I wish I could,

Just give in and tell you how I feel.

Words have never failed before,

But now it seems I was wrong.

I have always loved you,

When ever I look into your eyes.

Or when ever I see you,

Just standing there talking to your friends.

I've loved you since the day we met,

Though to a point without a reason.

Since that day and forever more,

I will always love you.

Others often wonder what I see in you,

And all I will say to them,

Is that it's because I love you.

You're an angel of beauty,

Who is always in my heart.

Now I just wish,

That my heart could speak for me.

It would say i love you,

Please don't forget that.

Yet no matter what I do,

Or how hard I try,

You'll never be mine.

So I guess its time,

For me to just saw one last time

I Love You
