1 - the Question

When I saw her,
I didn't think much of it.
Yet that was about a year ago,
Now ever time I see you I'm happy.
I thought who was she,
And why does she care about me.
Now I'm just glad,
She's there for me.
Though I wish she were more,
Than just a friend.

Someday I wish,
To bring you into my life.
Yet no matter what I do,
And how hard I try I can't.
Can somebody tell me,
What I have to do to make you mine.
You're my one true love,
Can you not see that?
Just tell me this,
When will you be mine?

When I look into your eyes,

I see that of an angel.

I've heard of what you've done,

And that only shows how good you can be.

I was there from the start,

And I'll be there until the end.

I'll wait forever,

For the answer to this question.

When will you be mine?

And what do I do to prove it?
