1 - Frozen

Frozen Heart

You knew I cared about you,
But you turned on me anyway.
Now when I'm alone,
I sit and ask myself why you did it.
Yet for as long as I can sit,
I can not think of a reason.
Though I'll kill myself by doing so,
I'll stay by your side until the end.
Even if this means losing all I cherish,
I'll still gain one thing, and that's your heart.

You've frozen my heart,
Yet I refuse to let you see that.
Because no matter what you do,
Or what you say I love you.
Yet it seems I can not make you,
See this fact so you go with them.
And I'll wait forever,
If that's what it takes to win your heart.

Because I know,

That's what it takes to win your heart.

I sit and wonder even when I'm with you,

When will you be mine?

When can I hold you in my arms?

And hear you say I love you, and truly mean it.

Yet I still think,

I will never hear you say I love,

You while I hold you in my arms,

Because I cant make you happy.

What can I do to make you see,

The fact I love you,

But you've frozen my heart
