Chapter 1 - Be Mine

2

1 - Be Mine

Since I first walked towards you,
As if drawn to you by something,
It seems that's saying I love you,
For once isn't enough to you now.
Now matter how hard I try to fight,
I can not beat you or the force that,
Often pulls me towards you,
And makes me fall madly in love with you.
Why can't I fight you no matter what I do?
Or how much I know I need to,
It seems that you will always win but why,
Is it because I'm madly in love with you?
I sit alone at times or even with you,
And just try and think to myself,
Why can't I finally win, and why don't I give in,
It seems that now I'll always just be your friend.
Although I want to be more than just a friend,
It seems nothing I can do can please you.
So it seems, I am cursed to walk alone,
While I see you with the others,
Thinking silently to myself,

Why wont she,

Be mine?
