# 1 - Untitled

I wish to hold you in my arms,  
As I look into the night.  
I wonder why from where I stand,  
Do you feel about me,  
The way I feel for you?  
Or am I just dreaming about having you,  
And hearing you say that I love you.  
It seems I shouldn't dream,  
About what I can't have but I do it.  
I look to the stars and think to myself,  
Are we looking upon the same stars?  
It seems there's a gap separating us,  
Yet I refuse to just stand around,  
And watch you from afar any more,  
All I want is for you to be happy,  
And for that I know I must suffer.  
But I will take whatever I must,  
In order to ensure that you are truly happy.
