Just a simple poem I created at my boyfriend's house while he was at work...

Chapter 1 - Dance

2

1 - Dance

Dancing in the moonlight
Watching your deep green eyes
I know this is right

Your gentle touch
Wishing for something else
I love you so much

Give me my prize
A kiss for me
Something to remember you by

For this might be your last dance
Say fairwell to the moon
To the stars, give on last glance

Remember this...

I love you, dancing in the moonlight
