**Chapter 1 - slowly passing, quickly fading**

**2**

## 1 - slowly passing, quickly fading

I watch as you slowly pass away[br]  
All the pain is stabbing at my heart[br]  
Making me cry never-ending tears[br]  
[br]  
I try to forget about it[br]  
I try to forget you[br]  
But no matter what I do[br]  
The knives come and give me a fatal wound[br]  
[br]  
I watch your ragged breathing[br]  
Your heart slowly moving[br]  
Your life quickly fading[br]  
[br]  
I think about everything I could have done[br]  
But everything I didn't do[br]  
As I watch you slowly pass away[br]  
[br]  
I do everything in my power[br]  
But I'm always too late[br]  
to save your life that is quickly fading[br]  
[br]  
You've done so much for me[br]  
But what have I done for you[br]  
Nothing and now it's too late[br]  
Because you are slowly passing away[br]
