1 - The Mysterious Changeling

Through the Streets of Ponyville, walked a lone Changeling..

And unknown to Anyone, this strange Changeling was not part a hive many were Familiar with, but this Changeling was in fact the ruler of another unknown Hive..

He would pass by pony after pony, and a number of them looked at him with either fear or concern.

Someone even wondered:

"Is that one of Chrysalis' Changelings?"

Nope, or at least, not to their knowledge.

--

Suddenly, Shadow ended up bumping into a certain Rainbow Patterned Pony.

"Oh, sorry, i..." Rainbow Dash, as the pony went by, started.. but widened her eyes at the sight of Shadow.

Shadow narrowed his Creamsicle Colored Eyes on Rainbow Dash.

"Ch-ch-Changeling.. Don't send Chrysalis after me!" Then, Rainbow Dash took off in a hurry.

"Freak..." Shadow whispered, moving on.

-

"What is this?" Asked Princess Celestia.

"What is what?" Asked her Student, Twilight Sparkle.

"What is a Changeling doing in Ponyville?" Celestia Asked.

"A Changeling?" Twilight asked, Celestia stepped aside and let Twilight look through her Telescope. And sure enough, through the Telescope, Twilight could See the Mysterious Changeling miling around.

"That's.. Odd.. and we haven't seen Chrysalis in Weeks.. i wonder if she knows about this.." So did Celestia.

"I am.. not sure... i do not remember Chrysalis' Changelings looking like that.." Celestia Commented.

"None-the-less.. we do appear to have a Rogue Changeling in Ponyville."

Which begged the question:

"Shall we do something about it?" Twilight asked.

"I do not know.. but for now, let's just observe the situation.. just to be on the safe side."

--

"Are you a Changeling?" Asked a Certain "Derpy" Pony.

"Hmm, I don't know, what do you think?" The Mysterious asked with annoyance.

"You guys are awesome! I wish i was like you!" Derpy, which was really the name of the pony, said with Excitement.

This gave Shadow an idea.

"Or.." He suddenly altered his Appearance to Match Derpy.

"I could be like you." It was like hearing yourself from someone else...

Hh wait.. it pretty much was.

"Hahaha!" Derpy laughed.

"Alright, Bye." The Changeling said with a little annoyance before leaving..

--

"Your Majesty, we have.. a strange situation unfolding.." Said a Changeling Drone.

"What do you mean 'Strange Situation'?" Asked a Certain Changeling Queen.

"There have been reports of.. well, this is how WE heard it.. of a 'Rogue Changeling' in Ponyville."

Chrysalis, the Changeling Queen, looked at the Funny.

"Ponyv-... That isn't one of ours, is it?" Chrysalis asked them.

"Negative, we would have seen someone leave the hive." Another Drone Replied.

"Hmm.. that is strange.. if it is not one of ours..." Chrysalis took a minute to contemplate the Situation.

"Could it be from Another Hive?" Another Drone Asked.

"It must be, if it didn't appear to come from ours.. there is one Hive nearby but it was Abandoned Many Years Ago." Or so it seemed.

"Maybe this 'Rogue Changeling' came from that hive?" Asked the same Drone.

"I have no Clue.. we will have to investigate this further.. you Four, your coming with me." And So, Chrysalis and Four of her Changelings went to investigate this Strange Report.

2 - A Scary Ability

"Now where did a sorry excuse for a changeling like YOU come from?" Asked a certain, meanie of a Griffon named Gilda.

The Mysterious Changeling was a little miffed by this.

"Well maybe you are one to talk.. Or does Polly want a BENT BEAK?!" Shadow seemed to glow a little.

"HA! Get real buggo boy, you couldn't possibly.." Gilda was about to regret her words... suddenly, the Strange Changeling morphed into a massive Being made entirely of Dark Energy, with white as eyes and mouth.

Gilda just stared wide eyed, before backing up some.

"Wanna eat your words, Birdy?!" The Changeling's voice was demonic, there was a growl and echo strapped to his voice now.

Gilda was shaking.

'What Changeling morphs into THIS?!' Was Gilda's thought before she took off running.

Then, the Changeling returned to normal form.

"That's right, get lost you scrambled egg."

--

Unknown to the Changeling, he had been observed.

"If that was a Changeling, then what the buck did it just turn into?" Asked a Baffled Twilight.

"I've.. I've never seen that form before..." Said an Equally Baffled Celestia.

--

That's when Chrysalis and her Changelings entered Ponyville.. of course, other ponies ran indoors.

That's when they were faced by Rainbow Dash, Pinkie Pie, Fluttershy and Rarity.

"Chrysalis! What are you doing in Ponyville?!" Rainbow Dash asked.

"I heard there was a Changeling in Town, i wanted to meet this 'Changeling'.. assuming the rumors are true." The Ponies looked at each-other odd.

"When was there another Changeling?" Rarity asked Rainbow Dash, whom shrugged in reply.

"We.. weren't aware there was another Changeling.. or for that matter.. what it even looked like.."

Rainbow Dash replied to Chrysalis.

"Oh, Really? Then why did i receive a report of a 'Rogue Changeling' here in Ponyville?" That's when their sign came..

"Monster!!" Gilda came in, panicking.

Out of her little Panic Attack, she ended up running into Pinkie Pie by Accident.

"Whoa! Watch where you're going!" Rainbow Dash exclaimed.

"Monster!" Gilda repeated.

"What Monster?" Rarity asked.

"I was attacked by a.. by a.. I don't even know!" That's when Rainbow Dash asked.

"Calm down.. What did it look like?" She asked.

"At.. at first it was.. it was a Changeling... then.. it was this.. Big.. Black.. Mass of Energy.. some kind of Monster." *Then, the Ponies looked at Chrysalis.*

Whom was a little Dumb-Founded.

"Would that be one of yours, Chrysalis?" *Rainbow dash asked.*

"Energy Monst..." *This seemed to baffle Chrysalis a bit.*

"We would need Half of Ponyville's Love, perhaps more to be able to turn into.. this.. Energy Monster.. FOR JUST ONE Changeling.." *This was strange.*

"So wait.. this ISN'T one of yours?" *Chrysalis shook her head.*

"I don't believe I've ever Transformed into one of these things.. Nor any of my Drones.. So it couldn't be." *This sent waves of fear down their spines.*
