# 1 - Untitled

I hate the way we've become.  
All the hate and anger and then some.  
Yes we've loved and hated,  
and all the wrong words we stated.  
Why is it you now run away?  
Why is it you run and I stay?  
Why did we leave that dream?  
The one of love and music, just serene.  
I love you still and I cry nonstop.  
All the pain and longing in every tear drop.  
You said its not the same feeling.  
But did you know it's me you're killing?  
My heart was never put together right.  
I cry and store all the hurt out of sight.  
I dream away the endless nights,  
of how we were together eternally right.
