Chapter 1 - Diving

2

1 - Diving

Resist midday

Spread your wings

reconize the feeling

And be willing

To fall away

**

Say You'll be here

On this dying day

Know time relay

Ticking light away

Creating my fear

**

Take my hand preparing

fight the night, defy

The creatures who lie

accept and qualify

Your imaginary

**

With silent vitality

Senses so sheer

They will be here

Taunting your fear

Destroying reality

**

With tears of pearls

Catching in the shadow

A song softly mellow

Renders an echo

And ripples swirl

**

From a dream, I awake

Loosing thought

Of the essence I caught

The passion I sought

And the emotions, I Remake

**
