Chapter 1 - Life

2

1 - Life

Life

life is fragile
life is hard

life is unfair
and life sucks

little by little your hope goes away
little by little you gain hope every day

blood is shed
and you will be dead

but as sweet as it sounds
life has no bound

but life can be sweet
but life can bring greif

life is unfair
but life is still bare

you have to live along
with the song
