Yumi:(sighs) tails how do i get down from her?! tails: press both red bottons a you'll drop.yumi: AHHHH!yumi landed on tailstails and yumi: ouch! Yumi: tails r u ok?yumi helped tails get up.tails: yeah i'm fine.amy walks in.Amy: hey yumi what would happen in the future? Yumi: Hey didn't i tell you not ask those questions? amy:All right, tails what would happen?tails: what? Amy:(yelling) the future!tails: don't amy i'll tell you when i get the news ok? amy: ok, tailsyumi: sheesh, cant you shut up amy?! you're ruining my life! Amy: you can't tell me what to do! Yumi: Wanna bet?!yumi raises up her right fist Amy: ok i'll shut up!yumi puts down her fist.Yumi: good.

2 - I created a time machine, ha

AT Angels Island Yumi:(yelling)HEY KNUCKLES where are you?!Knuckles:(yelling)I'm guarding the Master Emerald!,What the hell you think i'm donig?!Yumi: boy you sure get on my nerves.Tails: STOP!!! thank you, sheesh you two get on my nerves.serously!Knuckles: she started!yumi hit knuckles up-side the head.Yumi: shut up knuckle head!Just then cream came in.Cream: are you 2 donig?Yumi: Well you see cream, Knuckle-head over here was getting mad so i had to shut him up by hitting up-side the head!.Cream: ok then, i'll check what tails is donig.Cream: what are you donig tails?Tails:Hey cream, i'm creating a time machine that can go to the past or the future.Cream: oh.Amy:Hey tails, what are you donig?Tails: Remeber when you ask what would happen in the future,Amy?Amy:Yeah.Tails:Well i created a time machine.Knuckles:What good does the time machine do?!Yumi hit knuckles up side the head again.Yumi: for one reason, a time machine can send you to the past and the future.and it can cause time to damage if stay to long in the past or future.Tails: that's true yumi,but you forgot reason two it's if you stay to long in the past or future you'll stay in both times!Cream:(gasp) NO thats not true!!Yumi: Its true cream.
