1 - When Jokes Aren't Funny

I don't own any characters! Enjoy!

You started the whole thing.

So it's really all your fault.

But the look in your eyes when you see me says,

“Boy, you've done it this time!”

Everyone acts like I've

Done something really wrong.

What did I do?

Is holding someone to their word a crime?

And I never kidnapped you!

You very well could have stayed.

When you say those same words to HER, I bet

you won't scream.

Or do I not count

Just because I'm dead?

You know, there comes a time

When jokes aren't funny.
