This is an RD+RS fanfic. Mika's a character I came up with. And she always making bets.

This is my first fanfic and I hope it's good.

Here I go(and don't laugh.)

Here I go(and don't laugh.)

Mika was fiddling with a hat one foggy Paradigm morning and decided to ask Dorothy a question "Dorothy you ever wear hats?"

"No" was Dorothy's simple response.

"Well here put this one on and wake Roger up, I wanna see his reaction." Mika had an evil smile on her face and said gleefully "It gonna be funny."

"I do not wish to"

"O come on it'll be funny"

"No" Dorothy got the last word in quickly.

"Fine" then Mika shouted "Norman I own you \$5 on that bet ok."

"WHAT you had a bet on me?" Dorothy asked a little angry.

At this point Norman comes in the room and says "Very well Miss Mika."

Rundown is heard played a little faster than normal at that moment in Dorothy's attempt to get Roger up, he was starting to become oblivious to her morning rampages.

And... "R.DOROTHY WANYRIGHT" looks at clock "It's 9 in the morning why am I up this early?"

"Norman and Mika are making bets on me" a slight tone off tone.

"O is that all? okay you two stop, I don't want to get up at 9 every morning for this." Roger said slightly chuckling.

"Thank you, and sorry for waking you up so early." Dorothy apologized quickly.

"That rather kind of you Dorothy you care if I go back to bed?"

"No."

"Thanks I'm going back to bed now." Roger wearily said.

"Good night." Mika said to Roger and then turned to Dorothy and asked "You remember the deadline for our debt don't you?"

"Yes."

Good than you know what you are supposed to do tonight then?"

"Yes"

"Good than see you at dinner," Mika replied happily and ran off.

End of first part of 3 parts, tell me what you think so far.
