# 1 - the year of the kanary

## Het jaar van de kanarie

## The year of the canary

In januari zaten wij in de penarie

In februari kregen wij een kanarie

In maart was hij wat raar van aard

In april deed hij wat hij wil

In mei legde hij een ei

In juni slaagde hij voor zijn communie

In juli stond zijn verstand op nullie

In augustus had hij wat rust, dus;

In september at hij heel veel gember

In oktober werd hij ober

In november vergat hij het woordje remember

En in december ging hij door de blender

In January we were in trouble.

In February we got a canary.

In March he was a bit weird.

In April he did what he want.

In May he lay an egg.

In June he pasted his communion.

In July his sense was on zero.

In August he had some rest, so;

In September he ate much ginger.

In October he became waiter.

In November he forgot the word remember.

And in December he went through the blender.
