-----No one knew quite how they got there, but there they were; 17 Shinobi and Kunoichi all in a karaoke lounge. “what the hell are we doing here?!” Keitorin shouted, to no one in particular. “pipe down, it doesn’t matter, but I blame them” Nami pointed an accusing finger towards Kakashi-sensei, Iruka-sensei, and Shimauma-sensei . “now now we’re as innocent as you guys” Kakashi said falsely. “well anyways were at a Karaoke lounge, so someone do some karaoke” Shi-sensei said. An awkward silence filled the room. Sasuke stood of in the corner, trying to look cool though that was hard with Keitorin hanging on his arm and Sakura fawning over him “Sasuke-kun, sing a song for me!” Keitorin said, hearts in her eyes. “No, He’ll sing a song for me!” the pink haired girl said, anger very apparent in her eyes. Shikamaru and Ino watched this ‘lovers quarrel’ from on of the couches “how bothersome” Shikamaru said as he rubbed his temple. “they’ll never give up” Ino sighed, true she had gotten over her fascination of Sasuke and found someone more...close. (A.N: *cough,cough*Shika*cough* Maru* couch, couch*) Nami and Naruto were sitting on some chairs rambling on about ramen. “my faves are beef and Miso, how bout you?” Nami asked him curiously. “Same here!” (A.N.: I don’t know his real fave flavor) The others all stood in various places, except anywhere near the karaoke machine. Minutes passed and still nothing, all conversations stopped. Nami whispered something to Naruto, a sly grin appeared on his face. All eyes were on him, o please tell me he’s not gonna do what I think he’s gonna do Sakura groaned at the thought. that idiot, he’s going to make us look like fools Sasuke thought as he looked at his blond teammate. this will be interesting all the jounins’ (and one chuunin) seemed to think. Naruto walked to the machine, browsed through the sings then turned back to the small crowd, “Shadow Clone no Jutsu” he said, other Naruto appeared. One of The Narutos pressed the button. The title of the song shown on the screen: I think I’m a clone now- weird Al Yankovic Half of the crowd rolled their eyes. As the Narutos began to sing...(Naruto 1)Isn't it strange...? Feels like I'm lookin' in the mirrorWhat would people say...if only they knew that I wasPart of some geneticist's planBorn to be a carbon copy manThere in a petri dish late one nightThey took a donor's body cell and fertilized a human egg and so I say...(Naruto 2)I think I'm a clone nowThere's always two of me just a-hangin' aroundI think I'm a clone now'Cause every chromosome is a hand-me-downLook at the way...we go out walking close togetherI guess you could say...I'm really beside myselfI still remember how it beganThey produced a carbon copy manBorn in a science lab late one nightWithout a mother or a fatherJust a test tube and a womb with a view...(Naruto 1)I think I'm a

clone now
There's always two of me just a-hangin' around
I think I'm a clone now
'Cause every chromosome is a hand-me-down
I think I'm a clone now
And I can stay at home while I'm out of town
I think I'm a clone now
'Cause every pair of genes is a hand-me-down
Signing autographs for my fans
Come and meet the carbon copy man
Livin' in stereo, it's all right
Well I can be my own best friend
and I can send myself for pizza, so I say... (both Narutos)
I think I'm a clone now
Another one of me's always hangin' around
I think I'm a clone now
'Cause every chromosome is a hand-me-down
I think I'm a clone now
've been on Oprah Winfrey, I'm world renowned
I think I'm a clone now
And every pair of genes is a hand-me-down
I think I'm a clone now
That's my genetic twin always hangin' around
I think I'm a clone now
'Cause every chromosome is a hand-me-down
He finished the song and undid the jutsu, the crowd actually laughed, well Sasuke didn't cuz, he's well Sasuke. Things started to liven up, " I'll go!"
Sakura piped, she let her iron grip off of Keitorin, whom she had gotten into a fight with earlier. Keitorin put down her Kunai. Sakura pranced up to the machine, clicked a song and turned to the crowd "this is dedicated to My Sasuke-kun" Ignoring the death glare she was receiving from Keitorin. Sasuke looked up after hearing his name, he instantly rolled his eye. The song title shown: Addicted -Simple Plan
The others rolled their eyes, another attempt at his affection, bound to fail.
I heard you're doing okay
But I want you to know
I'm a dick
I'm addicted to you
I can't pretend I don't care
When you don't think about me
Do you think I deserve this?
I tried to make you happy but you left anyway
I'm trying to forget that
I'm addicted to you
But I want it and I need it
I'm addicted to you
Now it's over
Can't forget what you said
And I never wanna do this again
Heartbreaker
Heartbreaker
Heartbreaker
Since the day I met you
And after all we've been through
I'm still a dick
I'm addicted to you
I think you know that it's true
I'd run a thousand miles to get you
Do you think I deserve this?
I tried to make you happy
I did all that I could
Just to keep you
But you left anyway
I'm trying to forget that
I'm addicted to you
But I want it and I need it
I'm addicted to you
Now it's over
Can't forget what you said
And I never wanna do this again
Heartbreaker
Heartbreaker
I'm addicted to you
Heartbreaker
I'm addicted to you
Heartbreaker
I'm addicted to you
Heartbreaker
I'm addicted to you

She bowed and walked off the stage, everyone's eyes were wide. "that was... interesting" Kakashi said to Iruka. "well she's your student" Iruka said with a laugh.-----who's next? First person to request/comment will choose. Sayonara, and thank you for reading.

2 - photograph and lazy songs

Yo people, Ok since no one reviewed, like I asked, I will pick the next people... u know u can comment or review or even request. It wouldn't hurt... its that little box on the bottom left side of the screen... if u do I'll give u a Naruto character plushy of your choice!! *holds up many different Naruto plush's' * Warning for OOC-ness, and the late arrival of Enju Onee and a 'special' guest. Disclaimer: I own Naruto -dodges Kunai thrown by assassins- ok ok I don't!! I only own Nami Mitsu who has been renamed 'Nikki Hoshikuro' sorry if I confuse u. o and I tweaked the lyrics 'slightly' (to match the genders, from now on)

-----Review:She bowed and walked off the stage, everyone's eyes were wide. "that was... interesting" Kakashi said to Iruka. "well she's your student" Iruka said with a laugh.

-----After getting over the minor shock of Sakura's ...um...interesting, yeah interesting song the crowd pondered who'd go up next. Before anyone could say anything, there was a loud bang on the door, which no one noticed before. "OI LEMME IN!!" Nikki and Keitorin both did an anime sweat drop. "its Enju" they both said flatly. Gaara, who was closest to the door, opened it to see a rather pissed kunoichi, with an odd package like thing close in one hand and a shinobi in the other. "took ya long enough Gaara-kun" she said before walking in After much restraint (and some sedatives), Sasuke was stopped from attempting to kill the shinobi, Itachi . "Oi Enju, what's in the bag?" Nikki asked curiously. A mischievous smirk plagued her face. "do you two remember that time when we got sugar high and we got in trouble for almost shaving that cat?" she laughed at the mentioning of the poor feline. Almost everyone except for Nikki and Keitorin looked either extremely confused or extremely creeped out. Oh, Yeah. The Jolt soda!!!" both exclaimed after snapping out of their memories. The three stopped their little conversation, leaving the others severely confused. "ok who's up?" Nikki asked enthusiastically. After a short silence someone finally said something. "I'll go" Kakashi-sensei spoke as he walked towards the machine (AN: Kakashi's gonna sing!! Yes I have problems jk, but not really. Hey how does he do that through the mask?) as he scanned the songs the others pondered what song he was gonna do hmm, probably something perverted Naruto mused mentally. pervert seemed to be included in everyone's thoughts. "aha!" he clicked the song he found and what shocked the others is that it wasn't perverted at all" in memory of my old friends; Obito and Rin" he said before he began. He walked away from the machine; Nikki, Enju, Keitorin and a few others were clapping. "great job sensei" Sakura chimed. He only grinned behind his mask. it makes you wonder what they mean by 'what the hell is on obbie's head?' Nikki pondered, for some strange reason, an image of a boy with a small octopus on his head popped into her head. WTF!? she shrugged it off. "great job Sensei, who's up next?" she looked around the room, Sasuke was in a daze, Keitorin and Sakura were fighting over him, Naruto was eating a cup of ramen he'd found, the others were talking, and what's this! Itachi was reaching for a can of Jolt soda, (AN: Now for those of you who don't know, Jolt soda is a highly caffeinated and sugary soda (there are some states where I think its banned). One sip can get you VERY hyper, think of what a whole can could do?) a devious plot began to unfold within the confines of Nikki's mind. "Shika-kun go on, sing one" Ino whispered to her boyfriend (I clarified that she'd moved past her obsession no?). he shrugged "how troublesome" he mumbled before getting up. ha I got him wrapped around my fingertip the blond thought triumphantly. He fumbled around for a few moments, trying to find a good song. "aha!" is something along the lines of what he said. He clicked the play button. The song title read: Lazy-Lagwagon an anime sweatdrop appeared on everyone, except for Sasuke and Gaara. I just lost my job I just lost my girl Things are getting way out of hand But my living room is like quicksand Sucks me down I'll never leave In the ground My cable TV I'm burnt out and lazy Looking, Dwelling, frack me!! I'm lazy Look at my cat Why can't I live like that All other animals except us do nothing else but eat and shoot Yesterday's not the time Tomorrow Hasn't yet begun Another week Another Month Going, Always, frack you! I'm lazy I have no faults to fear, I'm down here There's nothing to fear, no changes 'Cause having it all means nothing I am not in beyond great pressure or the reason I see on you Blue day again Trying to reach end A call, the machine, unseen action No act of faith No deed of good Yesterday's not the time Tomorrow's it not yet here Another month Another year! -----Ok so now if you want to request I will do them (Yaoi is not accepted neither is Yuri) PLEASE REVIEW!!!!!!!!!!!!!!!!!!!!!! if u do I'll give you a Naruto character plushie of your choice!!!
