Kunoichi Secrets

Chapter One : Food!

(I do not own Naruto)

The Chuunin exams were going to come soon. Kakashi had told Sakura that it would be a good idea to have a sleepover with the other kunoichi, to strengthen relationships and such.

So she did.

It was the night of the sleepover.

In front of Sakura's house, the girls met. All in their pajamas, there was Hinata, Ino, and TenTen. Hinata was dressed in fluffy blue pajamas. Ino was wearing a red shirt that read 'Born to be Sexy' with a matching fuzzy pajama bottom. TenTen was dressed in a white pajama top, with a black pajama bottom.

All three girls also had their sleeping bags rolled up. The kunoichi approached Sakura's door, and knocked lightly a few times.

A small squeal was heard, rushed footsteps, and Sakura opened the door. "Hi everyone," she said, smiling widely.

Ino looked at Sakura and smiled. "Sakura! This is going to be so much fun! I can't wait!" Ino whispered into her ear, "Can you say truth-or-dare?"

Sakura giggled, and Ino walked past her inside.

Hinata blushed lightly, and said a hello. "Hello, Sakura-chan."

Sakura smiled at Hinata. "You're Hinata right? You look so cute! Come on in!"

Hinata blushed lightly, and walked inside with Ino.

TenTen walked up slowly, then looked at Sakura. "You're... Sakura, right? Thanks for inviting me. I really don't know any of you, so... I hope we can become friends," TenTen said enthusiastically with a big grin.

Sakura nodded along, saying, "Me too!" afterwards.

The girls walked into the kitchen. Sakura said, "Alright! You guys go put down your sleeping bags down upstairs in my room, then come back down, alright?"

The three girls nodded in unison. Ino, Hinata, and TenTen walked up the stairs, and came upon a door that read in flowery print, 'Sakura's Room'. They opened the door, and Ino found exactly what she thought Sakura's room would have looked like.

The walls were pink with flowers painted everywhere. Lotus', roses, daisies, tulips, pansies, cosmos, and sunflowers of different colors and sizes were everywhere on the walls.

The three ninja walked to the center of the room, and lay their sleeping bags in the center of the room, in a circle. Sakura's were already there.

There was little talk between the girls as they came back down. Ino was talking to TenTen, but not really about anything. Hinata blushed lightly for no apparent reason. (Isn't she adorable?)

When they arrived back in the kitchen, Sakura had bowls, forks, and spoons out.

"Party food time," she said. "We're going to need party mix, chips and dip, and punch."

Hinata was looking downward, a bit disappointed. She didn't feel like she belonged here. The other girls were so... different than her! She was this shy little girl, and they were beautiful young woman, who always said what they felt.

Sakura saw Hinata, and said, "Why don't Hinata and I work on the party mix," Sakura continued, "Ino, you work on the chips and dip, and TenTen, work on the punch."

Hinata looked up un-expectedly hearing her name being called.

As Sakura told the other girls where the supplies were, Hinata walked forward toward Sakura.

----- Hinata and Sakura's Section-----

Sakura took a big bowl, and began to take out foods.

Hinata smiled, feeling welcome. "Thank you for doing this, Sakura-chan. I'm sorry I'm so shy..."

Sakura nodded. "Don't worry about it. I just want you to feel good. So have a good time, alright?" She gave an encouraging smile. "It's alright that you're shy, but you don't have to be around us."

Hinata nodded, and saw what Sakura had taken out. There were pretzels, cheese sticks, mini-wheat crackers, and little chips. The girls poured in a little bit of everything, and began to mix it around with both their hands.

The two of them giggled quietly as they worked, having lots of fun.

----- Ino's Section -----

Ino began to take out all sorts of chips. There were bazillion kinds of flavors Sakura had bought for the party. Barbeque, original, sour cream and onion, fish and chips, spicy buffalo wings, pizza, cheese, and more that looked questionable.

Ino poured a bunch of every flavor into a large plastic bowl, and mixed them around, so the person who put their hand in couldn't tell what kind it was.

Then, she pulled out two smaller bowls, and spooned out two different kinds of dip into the two bowls. She was finished, so she tried one of her chips, and some dip.

----- TenTen's Section -----

TenTen got the stack of plastic cups, and the large bowl. She also grabbed a large pitcher, and a couple of packets of red powder.

TenTen put the powder into the bowl, and filled the bowl with water, and last put three large scoops of ice into it. She stirred it fluidly, and the water began to go red, until it was deep ruby.

----- Somewhere Else -----

Naruto, Shikamaru, Chouji, and Kiba and Akamaru all were gathered at Kiba's house. They had all their snacks ready. They were all gathered in front of a television that had nothing but static.

Shikamaru was leaning over Naruto. Naruto had a voice receptor in his ear.

Near his heart, there was a tiny camera disguised as the Konoha symbol on Naruto's shirt.

Shikamaru said, "Naruto, you know what to do, right?"

Naruto grumbled. "Why do I have to be the one to do it?"

Shikamaru sighed for the zillionth time that night. "Because, you're the one who can do the sexy-no-jutsu best!"

Shikamaru poked the camera on Naruto's shirt, and what was seen was projected onto the T.V. screen. "Do you know what to do," Shikamaru asked again.

"Yah! Go to the sleepover, use the sexy jutsu, pretend to be a genin girl, and get the important parts, like truth or dare, on camera."

The boys grinned, all except Naruto, who was worried he would be discovered.

Chapter Two : Naruto Uzumaki Arrives

(I don't own Naruto)

The girls had just finished making all of the snacks, so they went upstairs with them. Hinata, Ino, Sakura, and TenTen were about to start the party games when...

Ding Dong!

Sakura stood up. "Hmm? Who could it be?" She glanced at a clock. "It's seven o'clock." Sakura walked down the stairs and opened the door.

In front of her was a... strange looking girl. She was rather short, with long blonde hair. Dressed in pink and purple pajamas she smiled nervously. "H-Hi!"

Sakura looked at her funny. "Umm, not to be rude, but... Who are you?"

The girl looked at Sakura silently for a moment before saying, "I'm ... Hikira. I'm a new genin."

Sakura smiled lightly. "Oh! Well, come on in! You're just in time!"

Hikira walked in, and followed Sakura up the stairs. She grinned as she thought, 'Naruto Uzumaki has arrived.'

(Authors note: I will now refer Hikira as Naruto, as they are the same person.)

Ino, TenTen, and Hinata looked at Naruto for a painfully long time. Naruto blushed lightly, hoping they wouldn't figure his secret out.

TenTen said, rather loudly, "I've never seen *you* around. Who are you again?"

Naruto timidly replied an answer. "I'm..." Suddenly, he stopped, and his eyes widened. He forgot his fake name! His mind was a blank. Naruto could feel blood rushing to his face, until...

"Hikira. Her name's Hikira," Sakura replied, seeing the girl obviously nervous.

The three other girls asked a few more questions, and then they finally accepted Naruto.

----- Back with the boys -----

"Yes," Kiba exclaimed. "They've fallen for it! Now, the fun begins..."

All of the boys there gave a devious smirk.

----- Sakura's Bedroom -----

They were all in Sakura's bedroom, spread out across the room. Hinata sat on her sleeping bag, TenTen sat on a couch, Ino sat next to Sakura on the ground, and Naruto sat in a corner, a pillow in his lap.

"All right! First, let's play 'Truth-or-Dare!'"

TenTen lifted an eyebrow, Hinata blushed, and Naruto tried to conceal a smirk. This was going to be the best part.

Sakura got an empty bottle, and placed it in the middle of the girls. She spun it, and it pointed to Ino.

Sakura smirked. "Alright, Ino: Truth or dare?"

Ino gave back an equal smirk, saying, "I'll take truth for now."

Sakura thought for a moment, and then asked, "If you could choose *any* boy in the village to make out with, who would it be?"

Ino gave a smile, and began, "Sa--"

Sakura cut her off. "Besides Sasuke," she said, grinning.

Ino blushed lightly, and then thought for a little bit. In her mind she knew who her *real* first answer would have been. Ino used Sasuke to hide her feelings for *him*. So, she decided to answer *him* if she didn't care. She stated, "I suppose that Shikamaru would do."

Sakura looked at her for a moment, before rolling around on the floor laughing her head off. Ino blushed bright red. "H-Hey! Stop it!"

Sakura just kept on laughing. TenTen didn't say anything, and Hinata continued to blush for the zillionth time that evening.

After a few minutes, Sakura calmed down. "... Sorry, Ino! You two would make a cute couple!" She gave a grin, knowing the truth now.

Ino blushed darker. "N-No we wouldn't!"

----- With the Boys -----

Shikamaru looked as if he had thrown up. He was disgusted, scared, and yet... strangely happy. As with Ino, Kiba and Chouji were laughing at him. Chouji laughed heartily, singing, "You get the anger management one!"

----- Back with the Girls (And Naruto) -----

Sakura gave her a grin, and then dropped it. "Ino, it's your turn."

Ino spun the bottle now. It stopped on TenTen.

TenTen was a dangerous one. "Dare," she said before Ino had asked.

Ino gave a good smile, before thinking. "Hmm... I dare you to..." Ino looked at the window. "Run three laps around the house."

TenTen laughed. "You expect that to be hard? You'll need to toughen up to get me embarrassed."

Ino smirked, knowing something TenTen didn't.

The girls and Naruto walked downstairs, and TenTen walked outside. Suddenly, it hit her why this was a good dare. Outside, it was very cold. Also, it didn't help that TenTen's pajamas were extremely short. She went to run inside for a moment, but Ino closed the door.

"Thee laps," she cried joyously.

TenTen shivered horribly as she ran. She tried to use chakra to give her speed, so she could finish it sooner, but the cold night air chilled her too much.

After three long laps around the house, TenTen came inside, and the girls went back up. TenTen snuggled into her sleeping bag, warming quickly.

TenTen reached forward and spun the bottle, and it pointed at Sakura.

Truth or Dare?

Sakura looked at TenTen. She didn't want to do a dare, or at least not yet, so she would choose truth. "I'll take truth," she said, smirking a little.

Tenten laughed a little. "What color underwear are you wearing?"

Sakura blinked for a moment, then turned around and pulled out the waistband of her pajama pants. After a few moments she blushed, and said, obviously mortified, "& Pink& with lots of lace."

The other girls laughed, Hinata blushed, and Naruto smirked pervertedly.

3 - Oh Crap!

Kunoichi Secrets
Chapter Three: Oh Crap!

Okay Sakura, it's your turn, TenTen reminded the blushing ninja.

O-Okay, Sakura mumbled, her blush slowly fading. She looked between all of the people around in the circle, and pointed a wagging finger at Hinata slowly. Hinata! Truth or dare?

Hinata immediately blushed, and poked her fingers together. She wasn't very brave at the moment, so mumbled out, T-Truth.

Sakura thought for a moment, grinning. Suddenly, she came up with a great question: one that Sakura had always wondered the answer to. Did Hinata like any of the boys in the village? She hadn't ever exhibited any affection for Sasuke (which Sakura thought was completely ridiculous.)

Truth: Alright. Hinata, who do you like?

Hinata blushed darker and poked her fingers together faster. Oh& Umm& N-

Hinata thought about *him*. Short, spiky blonde hair and beautiful sapphire eyes that twinkled when he looked at her. Suddenly her heart filled with love, and she wanted to say what she felt, but& she wasn't sure how to word it.

I.. umm&

Hinata gulped noisily and squealed out nearly silently, N-Naruto.

Sakura, Ino, and TenTen looked at Hinata for a moment with awkward faces, and then the three of them squealed, Awwww!!! in unison. Hinata! That's so adorable! You two'd make a great couple, Ino cried, just thinking of a way to get them together.

Naruto stared at Hinata quietly, his face bright red. He said nothing, but just stared& He never saw how beautiful Hinata was& He blushed and squirmed uncomfortably, and the other girls started to look at him weird.

Hikira? Are you alright, Sakura asked, giving Naruto a look that purely said, What the hell's wrong with you?

Naruto blushed darker, and shook his head. N-No! I'm fine! He smiled fakely, but Sakura didn't seem fooled. She continued to stare at him for a few minutes, before& OH MY GOSH! I know what it is!

Naruto blushed even darker (if possible) and shook his head repeatedly. N-No! Sakura, it's not what it

looks like! I, I--!

Sakura grinned greatly. YOU LIKE NARUTO TOO!

Naruto looked at Sakura, and sweatdropped. & Uh, yah, that s it! Yah, I like him! What a hunk!

-----With the Boys-----

Chouji, Kiba, and Shikamaru shook their heads. I thought Sakura knew he was Naruto, Chouji exclaimed. That would ve been extremely troublesome& Shikamaru commented.

-----With the Girls and Naruto-----

Naruto was *very* uncomfortable.

Suddenly, Naruto looked at his hand, feeling something strange. Naruto s eyes widened. His hand was turning it s tan color! Hikira had pale skin!

His chakra was running out. *I m such an idiot! I forgot I can t control my chakra when I m not comfortable! Damn!*

And the worst part was that Naruto didn t really have what he was wearing on, Hikira s pajamas. Those were a Genjutsu as well. When he changed back to Naruto, he would be wearing what he was when he cast the Sexy jutsu; his underwear!

Well, Sakura, I m tired. I m going to change, Ino commented, taking more pajamas from her bag.

But you re already wearing your PJ s!

Yah, but I couldn t come in my real pajamas! They re kinda small. Perverts everywhere, you know?

Sakura nodded, and Hinata and TenTen nodded as well, for they had done the same thing. The two of them started taking clothes from their bags.

But they didn t go find a bathroom. The three girls all went into separate corners, and started stripping. Naruto blushed dark red, and wiped some blood from his nose. Naruto s arms had already converted back. Slowly, Naruto watched the girls (he felt horrible) and his stomach started changing, and Hikira s pajamas disappeared into nothingness. With a sudden burst, Naruto s pants disappeared, revealing his *tight* boxer briefs, and he hopped into his sleeping back quickly. Suddenly the rest of his body changed back.

Oh crap&!

4 - Escape!

Kunoichi Secrets

Chapter Four Escape! Oops!

Naruto stayed wrapped into his sleeping bag, as his whole body was changed back to Naruto, and he had no chakra left to change back to Hikira with his Ninja Centerfold.

Oh crap!

The three girls finished changing into their pajamas, and got into their sleeping bags as well, although Sakura, Ino, Tenten, and Hinata were all staring at Naruto.

Uhh, Hikira? Are you *already* asleep?

Naruto blushed bright red; Oh crap! Slowly, he responded in the most girly voice he could muster, Naruto said, Uhh! No! But I m *really* tired! I was training all day today.. So& goodnight!

The girls looked at him for a moment, before shrugging and snuggling into their bags, and Sakura turning the lights off.

*I ll just wait until they fall asleep& Then I ll make the escape! I ve GOTTA get outta here! Oh man&*Naruto thought to himself.

It was 11:45 PM before Ino and Tenten stopped talking about their ninja techniques, and FINALLY fell asleep; Hinata was a surprisingly light sleeper, and fell asleep nearly instantly, and Sakura listened to everyone s conversations for a little bit, before dozing off herself.

As the last two kunoichi slumbered, Naruto waited at least 10 more minutes, just to be safe.

After a couple of minutes, Naruto raised out of his bag. Sakura s house was two story, and they were on the second story currently. But the stairs would make much too much noise. That s it! He could jump out of a window. The bathroom was right across from Sakura s bedroom! He could go in there, and lock the door, and jump out the small window there.

Slowly, Naruto raised out of his sleeping bag which, much to his dismay, crinkled rather loudly. He tiptoed to the door, opened it, and heard the loud *squeeeak!* that followed. He swiftly went through the doorway, and closed the door behind him.

Naruto entered the bathroom, which was right across the hallway, and did the same with that door, with the same *squeeeak!* Once he entered the bathroom, he looked towards the large, opaque window across from the shower. He opened the window slowly.

Cold wind blew through the window, which felt freezing to the underwear-clad Naruto. He blushed brightly, and jumped up onto the ledge of the door.

Alright. There s a bunch of bushes down there. I just need to jump off, and they should catch me. Now& here we go&

Squeeeeak!

Naruto turned around to see the door wide open with one of the girls standing there. Despite her deep red face, she was beautiful; Deep dark blue hair that was slightly messed up, in small shorts and a sleeveless shirt.

Hinata stood at the doorway, looking at Naruto on the windowsill in disbelief.

N-Naruto-kun?!

Naruto blushed bright red, and let go of the windowsill to put his hands in front of his crotch, and lost balance, and fell out of the window into the bushes below.

Hinata heard a loud, *whump!* and rushed towards the window.

N-Naruto-kun!!

Hinata closed the bathroom door, and jumped out of the window gracefully, landing with a beautiful grace to see Naruto out cold. On the ground. In his underwear.

Hinata blushed even darker; The Naruto she adored; There; Unconscious; In his underwear.

Hinata blushed darker (if possible). She moved over to him, and shook him lightly. N-Naruto-kun! Are you okay?!

Naruto opened his eyes slowly, and looked around for a minute or two before realizing what happened, and immediately returned his hands to their previous position.

The two blushed darker.

N-Naruto! Why were& Why were you in Sakura s bathroom?

Naruto grinned nervously, and tried to explain it as best as he could. Well, you see& I used the Sexy Jutsu to turn into Hikira, and

Hinata blinked for a moment, then gasped loudly. Then you heard--! And fainted. Right there, she fell over, having her lover hear her profess her love for him.

Naruto nodded a little bit, and caught Hinata quickly when she fell. Naruto set her in the grass gently. He

looked over her face.

And, instead of running off to his house, Naruto stood with the unconscious Hinata, in the cold in his underwear. After at least 20 minutes, Naruto began to talk to himself.

& She really is a sweet girl.. And.. She s so pretty. I wonder& why I never noticed her before. Maybe later we can actually have a good meet, and we can go out for ramen or something&

Hinata blushed dark red and opened her eyes, hearing all of the compliments. N-Naruto-kun& You& didn t leave&?

Naruto grinned sheepishly. Well& I wanted to make sure you were safe. After all, you did the same for me.

Hinata blushed and looked up at him quietly, and smiled lightly. & T-Thanks!

Suddenly, three heads poked over the window above the two ninja. Ino, Tenten, and Sakura looked down at them, and all of them in unison aww ed. They didn t know what was happening, or why Naruto was nearly naked, but the two of them were so cute together at the moment, the three of them didn t care much.

Slowly, they closed the window, and went back to sleep.

N-Naruto-kun& You should go, before the other girls wake up.

Naruto nodded briskly, and stood up to leave. He began to walk in the opposite direction, and Hinata watched him leave, trying her best to not stare at Naruto s butt. When he was nearly out of site, Naruto suddenly turned around and ran back towards Hinata. & Hinata-chan& I& really like you too. Maybe we could have some ramen together sometime&?

Naruto found that his throat was suddenly dry, and he could feel his face reddening. Hinata s did too, and she nodded slowly. S-S-Sure! Th-That d be g-great!

Naruto nodded a little again, and ran off.

~~~Back with the guys~~~

While Shikamaru and Chouji resisted the giant urge to aww, Kiba looked strangely disappointed in what had happened&

~~~The Next Morning~~~

Hinata woke up to sunlight flooding into the room through a pink-curtained window near her left. Ino, Tenten, and Sakura were already awake, and were all conversing with each other in a circle.

As one of them saw Hinata sit up, the three girls turned to her, grinning. Hinata once again felt like she missed something.

Erm& Good morning?

Ino grinned, Spill it girl! Why were you and Naruto getting all cuddly last night in the bushes? Don't spare any details!

Hinata blushed bright red. Oh& Umm, nothing. Naruto-kun caught me& when I fell out of your bathroom window, Sakura.

Sakura raised an eyebrow curiously. & Why the hell was he in his underwear then?!

Hinata thought for a moment, and suddenly went into a daze, her face red, at the thought of Naruto in his underwear. Again.

& Oh, he& asked me to ramen sometime too..

Sakura and Ino gasped in unison, and started doing Hinata's hair, and fixing her breakfast, so she'd be prepared for her big date.

THE END

(Authors Note: Hope y'all liked that! I didn't mean it to go HinaXNaru, but it kinda did. I'm pretty obsessed with that couple. Stay tuned for my next story! My first shot at yaoi! 8D Comments are very appreciated.)
