**Chapter 1 - \*~You Never~\***

**2**

## 1 - \*~You Never~\*

\*~You Never~\*

By \*~Rose~\*

You never see me alone at night.  
You never see me cry.  
You never see me lay down  
Under that star-dappled sky.  
You never know what I am feeling,  
You never know what I will do.  
You will never know any of this  
'Till one day it rains upon you.  
One day you will understand  
Why I am like this everyday.  
Maybe you will realize that I am not  
"An empty shell"; as some would say.  
I'm just a lost soul  
Trying to find a purpose in life  
Because all my hopes and dreams are gone,  
Because of you I wake up with  
The bluebirds rehearsing their mournful song.  
You never know the pain I feel  
Everday that I am alive,  
Like a lonely, battered wolf howling  
His desperate cry.  
I try to hang on.  
I try to be as normal as I can be.  
I hide my scars and bloody wounds  
So the world never sees,  
The pain and damage you have  
Inflicted upon me.
