**Chapter 1 - Hoplessness**

**2**

# 1 - Hoplessness

Without anyone to care,  
I fall in to my pit of despair,  
Not loved,  
I am no longer pained by being shoved,  
Into my pit of despair,  
With no one to care,  
Hoplessness,  
Desperatness,  
Why must I,  
Feel to die,  
I no longer CAN cry,  
Do I try to die?  
No,  
I just push myself further to my pit of despair,  
Loss of hope,  
I can hardly cope,  
No cuts, don't care about myself to feel better by pain,  
Though I love pain...  
It is the only thing that keeps me game,  
Starting fights, but too strong to lose,  
But of that I choose,

You would never know,

My pain will never show,

I don't hide it,

I just seem to guide it.

Maybe a split personality...?

... I love my pit of despair,
