Chapter 1 - Savior...

2

1 - Savior...

Pain, suffering,

Not hoping any more,

Despair,

Dancing with death,

Following the road,

Light shining bright,

Bekoning to me,

Even though it's dark,

Not praying any more,

Only pain is left in the heart,

One last 'help' is cried,

But no one comes,

Dancing with death,

Following thr road,

Light shining bright,

Bekoning to me,

Then there you were,

Dancing with death,

Just to save me,

Some one came after all,

My savior,

Dancing with death...
