# 1 - Jingle Bells

A YYH X-mas  
-----

By: InuyashaEarsLover

Dashing through the snow,  
With a spirit in hand.  
Yusuke is walking with Keiko,  
He wants to leave but can't.

Toguro's on the loose,  
He's looking for the goose.  
Yukina wonders what'd she cook,  
But Genkai stole the book.

OH!

Jingle bells,  
Hiei yells  
Kurama is a fox!  
Koenma lost his binky  
And Jin the wind master rocks!

HEY!

Let's give a cheer  
The saint beast are here  
Botan fell in the snow  
Kuwabara loves Yukina  
But Hiei says, "HELL NO!"

Hiei the fire yokai

Had jagan eye

And if ya ever saw it

It would probably make you cry

All of the other ningens,

Used to laugh and call him names

Then they were really sorry

When he would set them up in flames

Then one day in spirit world, Koenma came to say

"Hiei are you crazy man! You've killed all the humans in the land!"

Than Hiei was satisfied

He was happy as can be

Hiei the fire yokai

Please stay away from me! ^\_^

Koenma-

Oh pacifier, oh pacifier

How I love my pacifier

Its round and blue

Its always true

How I love my pacifier

It calms and soothe between each breathe

I will take it until death

Oh pacifier, oh pacifier

How I love my pacifier
