Chapter 1 - Untitled

2

1 - Untitled

Suddenly I feel the urge to play,
I sprint away from my pack.
That is when I killed my prey,
Crimson blood dripping off its back.

Sink teeth deep within the flesh of it,
Warm blood comes pouring out.
The taste of the spot where I bit,
Tastes like death without a doubt.

Suddenly a blinding light,
Comes pouring from the east.
I transform back with all my might,
But I still remember my feast.
