## *The Bell*

Why have I been cursed with this life?

All I have seen is darkness and strife.

Now hearing the sounding bell,

For I have been condemned to hell.

From hell I shall arise again,

Darkness exuding from my grin.

Revenge,

Revenge is what I seek,

For all of those who made me weak.

I have forever walked this lonely road,

Now I shall finally explode.

Explode with anger.

Explode with strife.

Explode with danger,

For all of those who ruined my life.

“You will pay”

I shall say,

To them as they weep.

“For you have left me with this wretched life,

and you have made me weak.

You shall not live,

But you will give me something I desire,

You will see the blazing fire.

You will see the roaring fires of hell,

This time you will hear the bell.

The bell of death will ring throughout your ears

Forever.”

**Revenge is truly sweet!**
