**Chapter 1 - 1**

**2**

Flying above the worlds far rim,  
Fairies cater to your very whim.  
They make every dream come true,  
Not for them, but for you.

They're the ones, who twinkle in the night,  
They're everywhere, but out of sight.  
At night, dancing on the moon,  
At morning, turning day into noon.

Fairies are more than a magical thing,  
They are the ones who make you sleep, while they sing.  
They help you wake up with their fairy dust,  
They're the ones who can always trust.
