*A song I wrote for the RP I am doing. Of course, it's Kingdom Hearts. My RP buddy is Sora, and I am my made-up. She died in the RP, due to an accident caused by a jealous man. This song I just kinda...typed up, for that part. Will show to meh RP buddeh next time*

**Chapter 1 - In my Heart**

**2**

# 1 - In my Heart

Why did you have to go?  
We were just so close.  
Why did I let you leave  
From beyond my reach?  
Now I hold you in my arms,  
And watch as you slowly fade away.  
Just one more kiss  
From those soft lips,  
Just one more moment of bliss.  
That's all I need.

I didn't mean to let this happen.  
I didn't mean for you to die.  
Why did you take my place,  
Without leaving answers for the  
Questions that I cry?  
Just one more kiss  
From those soft lips,  
Just one more moment of bliss.  
That's all I need.

And although you're gone,  
You'll never leave me.  
Although you're away,  
You're still by my side.  
I'll never forget your touch.  
Not even in Death can we part,  
Because forever, you'll be here  
In my Heart.

Everywhere I go,  
You'll be with me  
When I sleep  
And in my dreams.  
Yet my sorrow will remain,  
And nothing can stop this pain.

And although you're gone,  
You'll never leave me.  
Although you're away,  
You're still by my side.  
I'll never forget your touch.

Not even in Death can we part,  
Because forever and ever,  
Forever and ever,  
Because forever,you'll be here  
In my Heart....
