1 - My poem

The Love in front of me

Oh, my love can't you see

You belong with me

I once thought of you as a friend

A friend to the end

My friend I now see you

Your eyes, the brown hue

The never ending depths of your soul

Like a black hole

I saw staring back at me

I saw beauty, that I never thought I'd see

That was the day

You took my breath away

I had been blind not to see

The love in front of me
