Chapter 1 - Backed in

1 - Backed in

I've been backed into a corner,
And can't get out without help from my friends,
And no matter how many times I've tried with my friends I realized my friends are disappearing,
Leaving me for something new I suppose,
My enemys are closing in on me,
And I don't have a single friend to help me get away from them,
This is what it's like with no friends and soon I fear I'll be dead,
My enemys will kill me and no friends will be at my funeral,
I'll die alone,
My friends have left me,
And I'm all on my own,
It's time to fight my own battles without my friends,
And I hope I don't die,
But if I do remember this...make alot of friends and then when your enemys gang up on you you'll be able to have more of a chance to survive.
