Chapter 1 - love

2

1 - love

I love him so much I can't think about anything else other than him,

All I want to do is be with him,

See him,

Talk to him,

And hug him,

What do you do when you're a girl in love?

Just let your feelings dominate?

I don't know,

What I know is that I love him and no one else and I want to be with him all the time.
