It's basicly a poem about someone wondering things.

Chapter 1 - Who?

1 - Who?

Who listens to my song?

Who hears my cry?

Who walks my path with me?

Who cares about what I think?

Who will be with me in the end?

Who will fight for me?

Who loves me?

Who will talk to me in hushed whispers lovingly?

Who will give me my happily ever after?

Who will hold me when I need someone?

Who will laugh with me?

Who will stand up for me?

Who will kiss me because they love me?

Who will cry when I die?

Who will make me happy?

Who will make hard times easier?

Who will love my laugh?

Who will love my smile?

Who will?
