Chapter 1 - You welcomed me...

1 - You welcomed me...

You had your arms wide open and I came to you,
My tear stained face told you all,
I was not sad but I was happy,
You welcomed me with arms wide open,
To show me that you'd changed,
To show me love,
To show me everything,
You said I had your mind, heart, and everything that you were and would ever be,
I had yet to tell you my news,
I give you my heart, my soul, everything that I am you have now,
I have given myself to you,
The only thing left to do is,
Pray that you will always love me,
That you will one day live with me forever,
And be with me forever,
I love you,
And if you love me let me know.
