Chapter 1 - Kids

1 - Kids

Children are innocent, young, and pure,
Yet when they are scared they come to the safety of their parents room,
When they are around friends they run around and laugh,
When they make art and give it to their parents no matter how jumbled up it is they are proud of it,
When they do a wrong they cry and ask their parents for forgiveness,
And when they are born they are the light of their parents life...
