1 - Chapter 1

Naruto s Secret

It was a beautiful day in Konoha was our favorite team 7 s bridge was empty.
Naruto was walking to the bridge to see he was the first one there.
But Naruto was very quiet & looked sad.
Watching the water reflect the sunset, Naruto sighed.

Sakura if you want me to stop bothering you then I ll start now Naruto whispered.

Flash Back to That Afternoon.

Team 7 was waiting for their sensei to show up

I wonder what s so important. Sakura said.

Just before anyone could answer Kakashi appeared.

HOLY MOTHER OF GOD YOU RE ON TIME! Sakura & Naruto both yelled shocked.

Hello team I ve got great news Kakashi said to the 12 year olds

What is it? Sasuke asked the Silver haired teacher.

Our team along the other 9 students & Sand Siblings decided to go to the Karaoke bar where Tsunade will decide who all is going sing in the Villages festival, The other Kages will be guest for the festival Kakashi said as the 3 looked stared at him.

So get ready team dismissed Kakashi said walking away.

And Naruto, try to be like Sasuke & behave your self Kakashi said turning to the blond.

Naruto shrugged that off & cheerfully walked up to Sakura.

Hey Sakura will you go out with me? Naruto asked the pinkett.
She turned around & glared at Naruto.

How many times are you going to annoy me?, I will never ever go out with someone who s annoying & doesn t deserve be a ninja, Now if you excuse me I need to talk to Sasuke-Kun Sakura said Sasuke s name the way she says. She then walked away to leave Naruto hurt. Tears fell from Naruto s eyes but no one could see because his head was down.

Sasuke- Kun would you like to come to my house tonight? Sakura asked Sasuke. Sasuke looked over to Naruto & to his surprise saw his tears fall to the ground.

Aww Lil Naruto s crying Sasuke laughed at his teammate

Sakura turn to see that Naruto was crying.

You re pathetic, someone like you will probably mess this karaoke thing Sakura said.

Naruto couldn t stand it anymore so he ran off tears flying everywhere.

Sakura giggled heading home.

End Flash Back

Tears rolled down Naruto s face again but he quickly wiped them off then he took a deep breathe & started to...

Kafaru: Cliff Hanger Muhahahahahaha! What is Naruto gonna Do? Find out next time!!!

2 - Chapter 2

Naruto s Secret

Hinata s P.O.V

I was walking to team 7 s meeting place but stopped because I heard someone singing. I knew it was a boy but his voice, my god it was so beautiful I fell into a trance but shook it off. As I got closer & closer to the boy I was so shocked to see who it was singing, it was Naruto! I hid behind tree to listen to him sing.

Do you ever feel like breaking down? Do you ever feel out of place? Like somehow you just don't belong and no one understands you Do you ever wanna run away? Do you lock yourself in your room? With the radio on turned up so loud that no one hears you screaming

Naruto- Kun I whispered. I knew he was talking about Sakura & it made me angry. He was always so nice to her unlike Sasuke & all she does is yell or hit Naruto. It always made my blood boil the way she treats him. *No you don't know what it's like when nothing feels all right you don't know what it's like to be like me.*

So this is how he feels, the lyrics remind me of& Me *To be hurt To feel lost To be left out in the dark To be kicked when you're down To feel like you've been pushed around To be on the edge of breaking down And no one's there to save you No you don't know what it's like Welcome to my life. Do you wanna be somebody else? Are you sick of feeling so left out? Are you desperate to find something more? Before your life is over are you stuck inside a world you hate? Are you sick of everyone around? With their big fake smiles and stupid lies while deep inside you're bleeding.* That s what he meant, I remember back when we were in the academy no one ever wanted to be around him

No you don't know what it's like when nothing feels all right you don't know what it's like to be like me.

My eyes began to sting with tears falling out. I looked around to see Asuma, Kurenai, & Guy s Team along with Iruka, They too were shocked. Guy, Lee & TenTen looked like they were on the verge of tears, Iruka, Asuma, Shikamaru, & Neji s mouth hung open with wide eyes, Asuma s cigarette fell out, Chouji had a chip right below his mouth but didn t eat (He was too shocked), Kurenai, Ino, & Shino just stood there but Ino was blushing madly. Kiba looked very angry for some reason.

There was also a crowd of villagers surrounding the area.

To be hurt To feel lost To be left out in the dark To be kicked when you're down To feel like you've been pushed around To be on the edge of breaking down And no one's there to save you No you don't know what it's like Welcome to my life No one ever lied straight to your face And no one ever stabbed you in the back You might think I'm happy but I'm not gonna be okay Everybody always gave you what you wanted You never had to work it was always there You don't know what it's like, what it's like To be hurt To feel lost To be left out in the dark To be kicked when you're down To feel like you've been pushed around To be on the edge of breaking down And no one's there to save you No you don't know what it's like (what it's like) To be hurt To feel lost To be left out in the dark To be kicked when you're down To feel like you've been pushed around To be on the edge of breaking down And no one's there to save you No you don't know what it's like Welcome to my life Welcome to my life Welcome to my life

Just as he finished the villagers left shocked that Naruto had the most beautiful voice ever.

I then got up and walked over to him.

The only people missing were Naruto's team & the Sand Siblings, it made me feel bad that they weren't here to hear Naruto.

Just then I remembered something.

His team was always mean to him.

Kakashi always favored Sasuke & told Naruto to be more like him.

Sakura always hurts Naruto.

& Sasuke makes fun of him.

I was now glad that they weren't here if Sakura had heard Naruto she'd instantly turn into a Naruto fan girl.

Ino gave up on Sasuke a long time ago & started liking Chouji.

But I did feel bad that the Sand Siblings missed this.

Kiba's P.O.V

Ok so we were heading to Kakashi's meeting place.

I never did like team 7 except Naruto, He at least wasn't like them, & it pisses me off that his *Sensei* is nice to the other 2 but him.

Where was I? Oh yeah, so we're walking next we know we hear singing.

Who's that? Ino asked.

That was what I wanted to know as well because

if this person was in this karaoke thing then we were Screwed!

We get closer to see that the person singing was Naruto! We were all shocked at this.

Holy Shikamaru said shocked. Crap I finished he sounded very good but if you looked close enough you could tell he was crying.

I bet his team was the cause of it, me & Akamaru growled at the thought of that.

Kurenai could tell I was mad & asked if I was alright.

I bet that his teammates made him feel this way I growled that the others heard me.

What do you mean Kiba? Lee asked me. I told them to look closer at his face & to their surprise they realized what I was talking about.

I didn't know Naruto felt that way about them Chouji said.

Kakashi talks about how good Sasuke is & how smart Sakura is but when it came to Naruto he said that he's the one that causes all the trouble Gai said. That did it, I was growling louder than Kurenai had to calm me down.

If it wasn't for Naruto, *Sasuke* wouldn't even *be* here I said those 2 words venomously. It's true when we found Naruto & That bastard, Naruto had a hole in his chest from a jutsu Kakashi taught Sasuke.

Sasuke was out cold hardly a scratch on him but fainted from Chakra loss.

When we got to the village Sakura had seen Sasuke's unharmed body took the unconscious Naruto. She shook him yelling WHAT YOU DO TO SASUKE-KUN!? I held back from beating her to death. A loud SLAP was heard Sakura dropped Naruto. What surprised me was that it was Gaara who smacked her & he looked way beyond pissed at her.

Are you blind? Uchiha fainted from *Chakra* loss. Naruto has a *hole* the size of a *ball* in his *chest*, touch him again & I'll gladly Kill you Gaara threatened.

Ino wasn't worried about Sasuke but almost fainted when she saw Chouji.

So we're all in the hospital & *nobody* from Naruto's team even visited him once, they were too busy worrying over Sasuke who wasn't even close to death.

It annoyed Guy that Kakashi wasn't even worried about his other student who could've died one of the days.

Guy was worried about *both* of his students as Lee & TenTen were worried about Neji.

Lee was one of few of us that was in the hospital but was more worried about his teammate & friends than *himself*.

Guy couldn't stand it he wailed on Kakashi for not even caring about the one who *brought* the precious Uchiha back.

Kakashi's reply pissed everyone off, he said was Sasuke is in a worse condition than Naruto & he's the one who caused Sasuke to lose Chakra then something happened I never thought would.

SLAP Kakashi's right cheek was red everyone went very silent at this. Hinata *our* Hinata looked ready to murder Kakashi if looks could kill everyone would be dead by now. Even Neji was voiceless at this sudden change in Hinata.

HOW CAN YOU SAY THAT!? IF SASUKE DIDN'T FAINT FROM CHAKRA LOSS HE'D BE OROCHIMARU'S dog BY NOW!, NARUTO HAS A F***ING HOLE IN HIS CHEST BUT YOU & THAT HARUNO dog JUST CARE ABOUT THAT BASTARD UCHIHA WHO WAS THE ONE WHO LEFT, YOU THREE ARE UNGRATFUL ASSHOLES SAY SOMETHING LIKE THAT AGAIN & YOU'RE @\$\$ IS

GONNA BE GOING THROUGH THAT WINDOW CAUSE NOBODY & I MEAN *NOBODY* IS ALOUD TO SPEAK OF NARUTO THAT WAY IF I FIND ANYONE & I MEAN *ANYONE* SAY SOMETHING THAT DISCUSTING AGAIN THEIR DEAD All of Hinata s rage was just unleashed into that very sentence.

She was so scary right now even Gaara & his sibilings were scared.
Neji fainted but Lee caught him from falling.
Shino was trembling. Sakura was gaping at the shy girl who just went crazy.
Kurenai paled. Kakashi s eyes were very wide.

Everyone there silently agreed with me that it was probably their fault for making Naruto cry.
He finished the song just as the rest of team 7 arrived. Kakashi saw that everyone was looking at Naruto.

Naruto what did you do this time? Kakashi said annoyed, oh how I want to kill him right now.
Naruto looked around to see everyone stare at him
as Sakura walked up & punched him in the head.

He was probably being an idiot again sensei, geeze Naruto cant you do *anything* right?
Sakura yelled bashing him over the head again. Lee & Shino held me back from attacking her.

What are you doing, she just hit & insulted our friend! I quietly yell at them so that that pink haired dog didn t hear.
Shino gave me a look that said we can get her later.

Kurenai sensei after this karaoke contest can we ask the Hokage to remove Naruto from team 7?
Shino ask shocking those everyone within earshot (Excluding team 7 & Hinata).
I stared at him wondering what he s thinking about.

Why? I asked him. Shino looked at me before explaining.

If you haven t noticed without Naruto team 7
would crumble he s the only thing keeping the team together,
Without him Haruno wouldn t have anyone to abuse or blame to keep herself sane after Uchiha rejects her,
Uchiha wouldn t have anyone as strong as him to spar with &
Hatake wouldn t have anyone to lecture or berate, the team would loose their most valuable member
Shino explained. Of course it all made sense.

I see attacking them by removing their teammate,
but the Hokage already had this idea planned out as well since I m Chunnin Naruto
Was going to take my place on team 10 but I d still be there Shikamaru said which made me smirk.

Oh man their going to learn what You don t know what you got till you loose it means I said.

End of P.O.V & Chapter 2.
