## The True Meaning to Care.

Summary: A year has passed since Naruto returned Sasuke. His team still ignores him. But a certain Event happens where the rest of Konoha 12 see a side of Naruto they've never seen before. Do they truly know Him? Very Talented Naruto. Slight bashing

Okay I don't own Naruto but I do own this idea unless it's been done before.

Konoha, known as other things such as the village hidden in the Leaves or the Fire country. The village was a breathtaking place with the most beautiful flower fields & sceneries anyone has ever seen. The village's Shinobi were known to have something called the Will of Fire. They produced the finest ninjas such as the legendary Sannin & the Yellow Flash who was known as the Fourth Hokage & greatest hero of the village. Why was he known as greatest Hero?, well 13 years ago a fox demon known as Kyuubi no Kitsune attacked the village.

The Fourth Hokage had killed Kyuubi dying in the process. But anyone who remembered that day knew the true tale of this event. The Fourth had sealed the almighty demon away into a newborn baby. This child was the hero of the village yet they treated him as a monster. Who was this boy you ask? Why he was Uzumaki Naruto Konoha's Number one most surprising ninja & dead last, and this is his story.

Naruto's day was just like any other day. His teammates would insult him & stuff. His sensei would ignore him to train Sasuke & sometimes Sakura. Sasuke would go on about how he is *far* superior in every single way, with his pink haired fan girl & sensei agreeing with him. Even though Naruto had dragged Sasuke's snobby @\$@ back to Konoha with the help of Gaara, no one on his team congratulated him. Sakura had even slapped him for harming her *precious* Sasuke-kun, & Kakashi just sat there reading his book.

Naruto why don't you quite being a ninja, you never amount up Sasuke-kun! Sakura said as Sasuke decided to join in.

She is right you'll never be anything but a dead last, there's nothing you can do that I can't do better

the only one who s be most capable because of him wielding Kyuubi.

I ll have Shizune help you until you can do everything you re self & I ll pay for everything, we ll start moving you re stuff into you re father s house since it s bigger, I only trust you with this because of you wielding Kyuubi & maturity, any other Genin cant be trusted enough, Also in a way she s technically your Imouto (younger/little sister) Tsunade said as Naruto perked up when he heard that he was an older brother & that he would be moving into his father s house.

Naruto learned of his parents on his birthday. What shocked him was that his father was the fourth Hokage that he fainted. Also he would be staying in his father s mansion now. But he still felt uncomfortable of taking care of a baby by himself.

Umm if I do take this mission could I request that someone from either the rookie nine or the sand siblings help me excluding my team? Naruto asked hoping that they would say yes. Tsunade looked at him strangely.

Ok but why not anyone in your team? she asked. Naruto sighed.

Why would I want someone like them to help me I mean they already discourage me, Kakashi would be no help & turn Imouto- Chan into a pervert, no doubt Sakura would hog the baby telling me I m not fit to be a sibling, & Sasuke would try to make her a mini Sasuke! Naruto said already getting into the older brother role. This made Tsunade smile.

Hehe well it seems you re already gaining a brother complex, alright I ll see who d be perfect to help you out, why don t you get you re things ready also don t tell anyone about Kyuubi s sister being sealed in the baby Tsunade instructed him as he left.

Naruto walked home with his hands in his pockets. Maybe taking care of his new Imouto would be an adventure.

Okay this is the first chapter to The True Meaning to Care.

But I want to decide between these 4 people who will help Naruto with the baby.

Hinata: M-Me?

Lee: YOSH! IT LL BE AN HONOR TO HELP NARUTO WITH HIS YOUTHFUL IMOUTO-CHAN!!!

TenTen: Well um& okay.

Gaara: && right
