# 1 - The Door Of Fright

My dream....\*\*Sighs\*\* ok...Well, I was sitting at this campfire and I kept seeing these black-cloaked men pop up. I would turn, look, and blink and they'd be gone. SO I decided to ignore them and just went along with the theory that I am insane and always have been. Then, one popped up and never went away. So I got up after a while and walked over to it...him. I waved my hand in front of his face a couple times too. He never moved or nuttin! So, I reached for his hood. He grabbed my hand. He had a strong grip...owey...Anywho! I told him to take off his hood and he DID! Guess who it was!? RIKU! Of course. He had his SILLY little bandana over his eyes too! I told him to take that off as well, but he said "No, it will kill you with one glance" I said I didn't care and told him to take it off. He did. I have only one word to describe those eyes...creepy...as in scary creepy! I died, of course. ((All bow to the all-knowing Riku! T\_T)) And I woke up on a cold, wooden floor. I saw sora Hovering over my body. He was lookin at me all funny-like. "Is it alive?" Was the first thing he said. I sat up and looked over my shoulder to see my best friend! Yep! The door I died on in my OTHER dream! YEAH! NOT! ((starts hacking a random Door: DIIIE!!!!)) It had black smoke stuff coming from it! I looked at Sora and he smiled all friendly-like. "I can't close it...I've been trying for a long time." He smiled again and I stood up. I went over to the door ((Shudders)) and smiled. "I'll help!" So we closed the door! Happy ending! If you wanna know the creepy dream about the door, e-mail me! I'll tell ya!

~Kaikuu and yes I DID write this poem.

Your eyes.....

they scare me.....

The swimming pools.....

Of yellow nothingness....

Black as night.....

The door of fright....

Opening to showm me....

what is right.....

Hearts are screaming.....

I'm always dreaming.....

Fire and Flames.....

I hear you screaming.....

But the door of fright.....

has kept me sleeping.....

When I dream a nightmare....

I always dream of.....

.....You.....

Things really strange.....

Some I can't even explain....

Come to me at times of night.....

Filling me up with fear and fright....

The door of fright.....

breaks the silence.....

of the night.....
