# 1 - 10 ways to be like me

How to be Like Me-

punch people

Randomly sit on people and say "tell me a story"

Have an argument with yourself and swear to never talk to you again

Go around and poke everyone you don't know and then say "stop touching me!!"

Drop everything that enters you hands

Tell your brother that if you don't get your way, you'll have to move in with him with your 27 dogs at 40 years of age

Stare at the ceiling till you get bored of learning

Stare at the TV until you get bored of the green screen

Walk around school screaming BUBBLES!!

Just be stupid!!!
