## 1 - the start

the evening was sitting in, people of a near by village were settling in for a good night sleep. a young girl in a chinese dress was sitting on the ground. her powder blue eyes watch with sadness looking at the families. she had no one by her side she wass all alone. most shooed her away others tried to catch her. verry few gave her food and tea. tears stung her eyes as she watched wishing apon the first of hevans eyes to appear at night to safly giued her through her journey away from hunters. on her back were two bith marks in the shape of wings one dark the other light. her family was gone. her small body was running on empty as she stood up and continued to walk on ward. she needed shelter for the night. she needed to move quicky as posible. she ran at the crak of a twig. her heart pounding with fear. she ran to a bush and everything went black.

## 2 - waking up

warmth wrapped it self around her as she began to regain her consunes she could not open her eyes but her hearing was working great. she heard light foot steps. this was going to enter the room she was in. she tensed up after a months of running from home do to special abilities. a sliding door open. the foot steps got closer to the bed where she was sleeping.

boy: wake up.

there was a smell in the air that was making her realized she hasn't eaten for a week at the most. god she was starving. then when she opened her eyes reviling light sky blue eyes she winced for a second adjusting to the light that was poring through the window above the bed. she reopens them to see a boy with dark brown hair and tan skin he was Asian but he looked cute. his skin was smooth free of scars and other wounds.

boy: ur awake. that is good. how about you sit up and eat.

he helped her sit up.

boy: im kilik and you are?

girl: im.... Kiku.

she wispered looking down fidgiting wonder if she could trust him.

kilik: what?

kiku:my name is Kiku.

kiku sat there playing with the cover that was placed over her lap. she looked nerves trying to figuer out how she got here was her real problem.

kilik: what where u doing up so high in the mountains?

kiku: im in the mountians?

she looked confusied

kiku: i climbed that far up?

kilik: u had no clue where u where going.

kiku: i havebeen running empty for a few days that may explain why.

she ate the food given to her by kilik and the other monks. it tasted quiet well. she looked at kilik and received a smile.

kilik: is it good?

kiku nodded the teen smiled at him not even realizing that she was until a blush creep upon kilik's face had given it away.

kilik: eat up and rest we can talk later.

she watched him walk away. that is when she registered she had smiled and giggled to her self for the first in a long time.

kiku: i shouldnt smile like that agian.

she giggle before finishing up her food. she placed the tray close to the wall and began to be taken over by sleep.

hours passed before she re awoke to orange and pink light yup it has been hours since she last woke up. she heard foot steps and looked up from the floor to see a teen girl smiling.

teen: ur kiku right?

kiku: ...yes

kiku whispered scared agian. just who was this person.

teen: im kilik's sister in a way. im Xianglian.

kiku nodded looking at Xianglian who was really happy about her being her.

kilik: Xianglian leave her alone she just woke up.

kilik spoke in a harsh tone towards the teen who was smiling at the flower.

kilik: evening u hungry agian?

kiku shook her head no looking at them. they explained he was in china and that she was in a temple called the Ling-sy-su temple. they listened to her gavestory, her story that she was something people would call a silver angel. they smile and give her hope that she was at lest safe from demons and the empirical soldiers.

### 3 - stalker!

kiku rested for days when she can find the energy to be able to stand. this felt like the home she left. the warmth was unimaginable as she closed her eyes sitting out side. imaiges flashed through her head of her mother and father back at home loving on her and trying to give her the best he ever could. this was one thing that she missed.

kiku: mom...dad

kiku looked at the sky and heard foot steps come to er she reconized them they belong to kilik.

kilik: kiku its almost dinner.

kilik gave her a hand to grab on to. she took it with out hesitation. she really trusted kilik. he protected her. this was a smiling warmth in her face. she wished to be held by him all the time. wait was she letting herself fall in love? No it was imposible! Kilik looked up in the trees. There was some one dress head to toe in black. Young male and he was armed with a blade. This was not going to attack soon kilik had a feeling about it. He felt his eyes narrow in a glare. He lead chrys back to the temple quickly. But something jumped out infront of them.

Ninja: I am here for that thing behind u. Now hand it over and u can live.

Kiku wimpered and reached into her sash. She pulled out a small rod and held it in her hand and looked at the ninja

nin: I'm here to kill that demon!

Kilik: u will have to get through me first!

Kiku wimpered

nin: I Bane Regarus will get my mission complete  
he charged the battle began

## 4 - angel

the ninja was standing there unmoving when kilik glared his most fearing glare. there was a strong electrifying silence that hung in the air. kiku trembled behind kilik.

kilik: leave this temple now.

bane: whats going to make me Bo Boy

he asked a smirk on his face. this was something that scared the young angel shivered before she wispered

kiku: deamon possessed by a demon

she shook scared by the looks of it.

kilik: then i will make u leave by force

he charged the older teen with his staff in hand while kiku ran for her life. she was not going back to something that will tourcher her and kill her. her heart screams out in pain from the running. no one came she looked back at kilik who had swung hitting the ninja in the head. it left a loud smack sound. it was loud and it make the loudest sicking crack. kiku gasped and ran to kilik

kiku: is he alive?

kilik: yes he is maybe he can forget what he needs to do.

kiku: we sould help him shouldnt we?

kilik: as long as he remains tied up i will have no problem.

kilik grabbed some rope and tied him up with out a word. he brought him to a room far from kiku's room

kilik: he can sleep here for now.

he took the young angel to her room and never looked at the room he threw the ninja in. kiku was scard before her sthomic gave her hunger away.

kilik: u can wait here. i can get u some food.

kilik walks out closing the sliding door as he exited kiku sat alone in the room what little light was from the window. bright orange as the sun set she looked out and hummed a song.

## 5 - the rain of the evil seed

kiku sat alone in the room awaiting kilik's return something didnt feel right once the sun had set letting the full moon out to play in the stary sky. she could not explain the chill that made her shiver and her skin crawl with goosebumps. she could feel the warm air slowly fade. she knew this had to be the work of a deamon or something evil. slowly she creep to her window she saw shards of a blade burning bright orange. one name left her lips.

kiku: soul edge.

the evil seed was raining down upon the earth. this was not good cause one was heading to the temple. she ran out of her room a staff and her shard necklace that was kail around her neck. he bell staff jingled as she ran. she needed to warn the monks quickly. her nose picked up a sent this sent was the sent of blood. she painicked and looked around for the sourse and she heard the scared crise of people the sound of death and this was all because of soul sdge! gritting her teeth she keep running to the room the ninja was being keep in. she open the door to revil the young man sitting there.

Bane: ah did u cause this?

kiku: no im here to get ur help! i want to save those people from that evil seed soul sedge. we can fight later but the only thing stopping that are carxed monks and the that shard of soul edge.

she took the glowing shard off her neck and it turned into a knife in a intsand.

kiku: lets get u out of here and see what u can do to help or stay here and die ur choice.

she cut the ropes

kiku: or perhapse u would like to run like a kicked puppy with its tail between its legs.

he noticed her change in personality

bane: ill fight but i deal with u later

kiku took off with no other word her heart raced for one persons safty

kiku: kilik....

she was stopped be a crazed monk wielding a blade. he was coated head to toe in blood. she took her stance and glared she knew there was no way she could save this man he was far to gone under the cured blades control.

charging she swung her bell staff high and hit his blade out of his hands as he went to strike. she knew a lest she could save what was left of his soul. but she needed the rays of the full moon to be able to send them all to thier last stop. she staped back and glared agian as the man charged bare fist. she reared her arm back holding her staff and truted foreward and it priced the heart. she didnt look at the mans face as she removed her staff. she continued trying not to be caught by those who where crazed. then she reached her final opponet at the training grounds

## 6 - the true demon

there was a teen about her age same looks as her but yet oh so verry diffrent. (upload pic later) her black hair was much more longer and more keep than her short brown. while her eyes resimbled the blue in the heavens her opponet's eyes where the color of the brightest blood shed. she had a tan while the angle was pale.

demon: so ur my opponet? what a challange a silver angle not a true on i hopped for but u become one tonight.

kiku: who are u?

demon: i am kuro

kiku: as dark as ur name is miss.

kiku glared taking a fighting stance with her bell staff

kuro: oh just a toy.

she pulled out a blade red with blood from victoms and tainted by evil.

kuro: wonderful is it not? the devil him slef gave this to me for my 5th birthday like when u where givin ur staff little fledgling.

she smiles

kuro: u are so funny

kiku was glaring as she charged her demon counter part with rage.

kuro dogged getting her head nicked by the satff.

kiku: im sorry i must do this

kiku began to chant a heavens spell

kiku: by the blessing of god

under the full moon

he gives a angel wings

pure as the soul of a newborn

wide of those of a egle

a armor engraved with each of his blessings

i am Kiku omoi

the daughter of his daughter

Evana of the angels

tentou Omio his chief of the angels who fight to keep ur master where he belongs

thier powers enter me

fill me with the light

to purefy this demon and those who are savable.

a bright light began to engulf her body as a unoticable language slipped through her lips a prayer in heavn's tounge

kuro: so u want to fight at full power... then mine may not be as strong but my blade will be stained with ur blood.

kuro began a chant as well

kuro: from the flames of hell

the darkness wells

the flames consume all souls

i ride upon the darkest wings of night

graced by those who are against the god  
my father sat in himself gives me my life  
my mother Alitalia gave me my first breath and kill  
father's blood runs in my veins  
i kill angels to feed his power  
ur soul is his next meal!

## 7 - the first of many never ending battles

the red flames grew around the demon girl while the angel showed her wings they were almost a blinding white. her armor a clean silver plate adorned with sappires her staff was a bright white now. her demonic counter part wore a blood red colored chest plate. her chain mail was of the darkest of black. she grinned at the angel whose light never stopped shining.

kuro: little angel how are u going to win?

kiku: the light will destroy the light.

kiku glared holding the staff in front of her.

meanwhile xianglian took off the dapra yuga (mirror belt) and slung it on to kilik while he was crazed putting her at risk. she might be crazy to save the person like a brother to her. he snapped out of it.

kilik: xianglian?

she hugged him crying.

xianglian: kilik i love u

she said before going silent and the sharp blade of the sword met his cheek leaving a triangular deep cut. he backed away holding it as blood seeped all over his hand and face

kilik: xianglian?!

xianglian: die

soul edge got to her and drove her insane. kilik tried to avoid hitting her. but he knew and stabbed at his dearest sister piercing her heart. she coughed up blood. a small smile on her lips her eyes seemed happy as the last breath escaped her lips. kilik had tears slipping he removed the staff.

kilik: im sorry

kilik caught her in his arms sobbing as he petted her hair. blood spilled out.

meanwhile

chrys dodged the blade once more before swinging her staff. to strike at her enemy who was posing a threat. the ninja was holding off crazed monks. some managed to get in very few hits. he looked over and saw the real demon facing the teen he mistook for a demon. the real one was fighting the angel. she struck one more hit before the demon girl smirked

kuro: hehehe soul edge will rise and one day my father will be free. just u wait little girl!!!

she disappeared in a red flame. kiku panted and her armor disappeared and she fell on her knees and her body ached, she failed to save any monks caused they passed on even the ones still standing when the demon left.

kiku: is kilik okay?

she began to worry and run to find kilik holding his sister

kiku: kilik?

she got closer to him looking for her medical kit in her bag. kilik looked like a kicked puppy. she tended to his cheek wiping away the blood and bandaging it.

kiku: im sorry its my fault

kilik took one look at her face she was sadder than him. he reached out to her and

## 8 - travel

he grabbed kiku's hand that was still tending to the wound on his cheek as she stopped tending to the wound. her eyes looked at him with a soft expression as she took her hand back

kiku: im aorry about what happen to ur family.

she put the homemade kit away as she looked down her bag packing it up. standing up the ninja bane came up to her a aplogetic look on his face.

bane: im sorry i misstook u for that demon.

kiku nodded and began walking off her bell staff in hand she looked down heading to the main gate to leave before any more trouble where to happen to those two. she felt her head droop with sadness. she never heard the foot steps behind her come ever so closer as she made her way out the gate. a hand placed on her shoulder stopped her right in her tracks.

kilik's voice: we r coming with kiku

kiku: no okay i have to go before the demon attacks u guys.

kilik gave her a look thus he wasnt going to willly.

kilik: come on i hear of a man from master who can teach me the way of purifying arts. i want u too come with till we get there.

kiku: u dont know where do u?

kilik: we can fallow the rumors

kiku: i cant allow u two hurt.

kiku stated that and looked away sadden. she then walked but kilik caught her bane smirked. kilik threw kiku over his shoulder she struggled to get down she noticed bane had xianglian's body and sighed she knew she lost and there was no use of fighting it at all. kilik quietly walked down the mountain path and kiku just relaxed on her friends shoulder as he walked. she was to weak to making down after fighting the demon it drained her powers and energy she would need rest anyways. soon she was shifted over kilik's back as he walked in silence. kiku nuzzled her head into his shoulder closing her eyes to sleep. it was all so quiet she could hear his heartbeat. bane looked down at xianglian in his arms dead all color drained from her face. the blood on her face almost drying.

as the he looked at the girl in his arms dead he sighed and thought of a prayer to day as her soul was being sent to heaven. they stopped infront of a a tree for rest kilik put her on the ground and began diging a hole for a grave using his staff. bane knew this was going to be a long day tommarow morning.

## 9 - a long day

that night had finished digging once kiku was placed in to the grave kilik had worked one while bane started a small fire relaxing in the tall grass.

kilik: get some sleep. ill take watch

Bane nodded turning over on his side to sleep the exhaustion away

kilik walked over to kiku's side near the tree and brought her closer to the fire to stay warm as she sleep.

kilik: its going to be a long night

kiku's hair was everywhere and bane was lightly snoring

kilik thinking: so was this ment to happen?

he began to question himself and didnt hear kiku stir

kiku: kilik?

kilik: oh ur awake. whats wrong

kiku: ill be right over there for a minute

she ran over to a large bolder anf went behind it kilik conected she must have needed to go to the bathroom

kilik: kiku...

he wispered as he stared at the full moon closing his eyes to calm down kiku returned and took a spot by him

kiku: u feeling okay

she began to treat wounds on his hand and arms taking care with wrapping them

kiku: things start tomarrow

morning bane didnt wake easily as they got ready to leave when kiku finished packing they left

hours of walking made kiku's feet hurt she didnt complane at all kilik could tell she wanted to.

kilik: say why dont we stop for the night? im sure we can cook some thing up from the food around here.

kiku: i hear a river so i can get fish.

bane: ill start a fire and gather water

kilik: fruits for me then.

they all split up and kiku sat by the waters edge a string and hook trap.

kiku: jsut wait.

bane got some water in a bucket they carried with them

kiku: hey...

she wateched the water and stuck her hand in and pulled out a large fish flopping about causing her to smile and tied it bu by the gills while she watherd the water before her arm plunged in and pulled out a larger one making her smile.

bane: good work.

kiku carried them to the camp site they sat there smiling and watching the sun begin to set.

kiku: hehehehehehehehehe

kiku boiled rice too. the fished cooked over the fire gutted and some herds kilik brought back for taste.

kiku layed on her back looking at the stars that began to show. the bane was asleep waiting for the fish to finish cooking since kiku caught a extra one.

kiku: its real quiet

kilik: yup

they watch to the food agian and kilik looked at the fish and the flames.

kilik: smells good.

kiku: its done.

kilik saw kiku removed the fish from the fire waking bane and he awoke. the food was good and then they ate so quiet and then bane passed put once agian. kiku watched the fire sitting on the ground as she passed out leaning on kilik who was taking first watch. the boa staff user blushed at this. a teen a year younger sleeping on him like he was some plush toy keeping her safe. kilik stared at the sky trying to take it off his mind

## 10 - inn room plz

morning was quick to come. kilik awoke from his meditation and saw that kiku had clung on to him all night. she looked peaceful holding his arm. sighing he looked at the shinobi who was starting a fire again to cook the morning catch.

bane: goodmorning. she still asleep?

kilik: yes and we do have names

bane: lets hear them then even tho i dont like to make firends

kilik: im kilik and she is kiku omio

bane nods setting gutted fish up and looked over the female teen was cling on to him as she sleep no way was she moving any time soon like that. kilik shook her awake and she groaned in her groggyness (i dont care if its not spelled right) she awoke sleepy.

kiku: morning?

kilik: yes hungry

kiku: yes plez

bane: they will be done soon.

kiku: thank u

she sat up with out noticing she had kilik's arm still. bane went to go check something when kilik spoke.

kilik: u are holding my arm that i need.

kiku looks down and sees his arm that is in her clutches.

kiku: sorry

she let go quickly when the snap of a twing in the green folage alearted them it was far to heavy to belong to bane.

kiku: oh man its a demon i can sense it.

kiku held her bell staff in her hands getting up

kiku: or some one who acts like one.

she gripped it tight holding it close to her chest making kilik wonder why she was so jittery.

kiku: who are you?

she asked out to the trees and began to wonder why she was a bit at ease. here with kilik. as small lizard came out making both fighters feel a bit stupid for wanting to attack a lizard

kiku: i feel stupid.

kiku sat down leaning agianst kilik who is looking at her as she was having a great time just sitting there and smelling the cooking fish.

kiku: i think its done.

she said crawling over to the fire as bane returned.

bane: fish is done.

kiku grabbed one that looked small

kiku: time to eat

she ate at the fish

by late morning they had set off by foot again kiku was sore all over and getting worse. she needed a real bed or bed roll eaither way it was a bed

she was going to have a good time if she got a inn room for the night.

kiku: hey guys i have a idea

kilik and bame: hm?

kiku: can we get a inn room plez?

she said a smile on her face. trying to keep it was the problem. she was sad and sleepy cause kilik really didnt make a good pillow now just to "talk" the boys into it

## 11 - girls always get what they want

kiku switched to happy face to puppy dog eyes pouting for extra messuer

kiku: PLZ!?

she begged tears pricking at the corner of her eyes now who could resist that face.

k+B: no kiku!

kiku's begging face stopped and she cracked her knuckles her lips turning into a frown.

kiku: we better or else i will hurt you both.

she growled out glaring

kiku: i have spent months on dirt for bed and im sore just one night in a inn room will not kill you guys!!!

she yelled making them both back up a few steps.

kilik: if we pull together what money we have i bet we can get a room for tonight.

he smiled

kiku: thank u for seeing this my way

she walked past both boys.

kiku: hand over your money once we reach town.

bane: i thought angels were supposed to be sweet

kilik: after what she had been through she really does need the bed.

bane nodded and followed soon both knew not to make her angry now

town wasn't far they got there by evening.

kiku: hand over your money.

kiku smiled pulling out her pouches of gold

kilik pulled out his pouch of money and bane did the same. she took it and counted it up

kiku: we have more than enough for tonight

she giggled holding the money.

skipping well almost

kilik: okay lets go

kiku was able to get a room. they sit there and rest with kiku too scared to do anything to wake her

## 12 - young love

day passed and that turned into weeks. kilik and the group stopped for rest they where next to a stream.

kilik was alone with bane who was smirking at the boa staff user

kilik: whaty are you smirking about

bane: u like the angel girl dont u?

kilik: what are u talking about!?

bane made a kissy face laughing at the teens expression his face was red.

kilik: i am not in love if that is what u r thinking bane.

bane: sure what ever u say kilik.

he smirked wider at the fellow teen who couldnt help but get angry with the ninja.

bane: kilik its pretty obiouves u love kiku-chan

he jested further smirk in place

kilik: oh be quiet!

it was a hour before kiku returned her net full of fish and oanting from all the running

kiku: go some fish

she said with a big wide smile

kiku: sorry we had to eat this for so long guys.

bane: what we can get is good kiku-san

kilik: thanks.

kiku handed the fish to bane to gut and cook

kiku: im going to wash up a bit.

bane allright

he spoke silently as he worrked the fish with a small knife.

kilik gulped thinking about what might be a crush as he stands up

kiku: hmmm.

she was washing her arms with a cold rag smiling she got dressed quickly hearing a twig snap.

kiku: whose there?

she tied her sash up when she sees kilik's smile

kilik: sorry i came to talk

kiku; lucky for u i finished washing up or i would have had to kick ur @\$

she spoke a smile on her lips

kilik: good i need it still

he sat down by her and sighed trying to sort out things in his head that seemed so messed up.

kiku: well what do u want to talk about?

kilik sighed he better get these feeling out of the way before they become a trouble.

kilik: well....these feelings keep bothering me...

kiku: yes.

she looks at him with bright blue eyes staring in to his deep brown ones causing a blush to apper on his face.

kilik: well...i(gulps).. i... feel

a hand reached up and restede on his bandaged cheek and he could feel the heat in his face grow

kiku: just... say it

he gets the guts (bane:finally!) to say this.

kilik: i can feel my self falling for u!

he yelled out and saw kiku's face shocked for a moment then he looked away scared of regection. then a soft pair of lips kissed his lips.

kiku: i feel the same

she smiled at him and looked at the bandaged scar and removes it

kiku: flaws and all

she kisses the scar making him feel at ease as they sit there in bliss foregeting the world arounf them

## 13 - parting

the days were flying by quicker than most. they finally reach a mountain where every one says a man a user of ling-shay-su style. this was so good. they managed to find the trail that most used to reach him.

kiku: this is fun

she smiled holding his hand and kilik smiled back bane was happy.

kiku: where are we now how far off?

kilik: just back here

kilik said pointing the area out.

kiku: that's good

when they get there and see something a huge temple bridges connecting to other places and leading to a main temple area for rest

kiku: um where is he?

kiku looked around and heard heavy foot steps coming their way making her jump.

oldman: who are you 3!?

kiku: kiku omio

kilik: kilik

bane: names bane

oldman: im edgemaster what business do you have here?

kilik: the ling shay su temple is gone and i still need to be taught.

edgemaster: i see but i cant take in your friends.

kilik looked at kiku whose head was down in disappointment she thought she had found a home for once.

kilik: why cant you take in kiku!? no offence bane

bane: none taken

edge; she has her own drams and follows them herself

kiku held kilik's hand tightly

edge: im sorry... your girlfriend cant stay. but only for the night

kilik squeezed kiku's hand tightly

that night

kilik held on to kiku that night with a strong embrace

kiku: um kilik.

kilik was looking up at the stars then at kiku

kilik: our last night together this kinda sucks

he petted her head looking down at her she kissed his lips gently knowing this was the last time they were going to see one another. something was placed in her hands she looked down it was a necklace with a blue jade pendant in a flower shape and a ring with gold and blue sapphires.

kiku: what's this?

kiku said looking at him he smiled and took her hand

kilik: kiku this necklace (puts it on her) will always know we love each other. the ring ( slips it on her ring finger) will make sure we find each other.

she guessed they were from his mother before she left. she looked through her bag and pulled out what her parents gave her. she slipped a necklace over his head and smiled it was strong and then a bracelet was on his wrist he looked at it and it was silver with a sapphire.

kiku: something to remember me by kilik take care of them like i will these.

she smiled and held his hand.

kilik: i will

he kissed her again this time he used tongue. she kissed back and wrapped her fingers in her hair. they came up for air

kilik: i love u kiku

kiku: i love u too kilik

they fell asleep that night in each other's arms. when morning came and kilik didn't want to let kiku go now. then it came kiku was then hugging him good bye she cried into his shoulder before her and bane left kiku felt tears in her eyes as they walk away it would be years before they could ever meet again.

## 14 - a new battle

years have passed roumer of a young man with hair of bright orange flames with dark brown eyes had been seen with two daggers on his back hidden by a cloak. they the he just showed up once the azure knight had showed up to protect the world. it seems his family had been torn by it. they say this ninja had been knowing through the villages he helped as Ryu the Dragon fighter for the dragon crest on the blades.

others whose villages had low survival rates say a crazied you man had came through killing for soul edge. followed by a woman who acted like two people. this reached the ears of the shinobi Bane and his teacher. kiku heard this and left for a fight from her friend's home. kilik heard and edgemaster sent him to destroy this evil. the new battle has began and there was no turning back.

near a indian port

kiku was wondering about and following the rumors of soul calibur in aid to help her beat the evil rising up she had heard about the demon Kuro who was aiding soul edge to return her father to this world or at least his army that she could lead. kiku was also hearing of the dragon fighter and of a man who went along and purified crazied villagers.

kiku: now lets see i heard news about this place.

she changed alot she wore a kimono top and pants with sandals her bell staff in hand. her head band tied up to make sure her hair was out of her face.

kiku: beter go now

they had listened to the fighters story and kiku had told him that she had heard about a knight in a pladian's armor roming germany and heading to france.

ryu: is that true!?

kiku: yup. i didnt think much of it at first.

ryu: is that where u are heading miss kiku?

kiku: she is like me but oppestet. she is a demon while well u r going to think im crazy and try to ship me to the nerest looney bin....

ryu: oh spit it out!

kiku: im a (muttering) silver angel

ryu: a what

kiku reaped a bit louder watching his face.

ryu: hmmm ive heard strange rumors of a angelic girl.

he said leaning on a post

kiku: yup thats me

she said as she saw the sun set.

kiku: the suns setting. (thinking i get to be alone with kilik agian!)

she looked at kilik who was looking at the sun. he seemed so diffrent now looking more grown. well besides he had a 12 pack most men should have that looked worthy of thouching. she refraned her self for the time being at lest.

kiku: well im going to get a room for tonight great seeing u guys agian and meeting you she was about to run off with out warning a hand grabbed her wrist and pulled her back

kilik: ur not getting away that easily. we r coming with.

kiku smiled inside knowing kilik still cared for her and wanted her more than anything else. she turned around and sighed

kiku: allright i can only aford two rooms unless....

she smirked making kilik and bane gulp leaving a confused ryu

kiku: kilik bane hand over ur money now if u want to live

kilik and bane tossed their bags of money at her knowing this drill from teenaged years.

## 17 - the vampire of the evil seed

kiku had gotten a room for her and kilik and one for bane and ryu who was grateful to have a place to stay the night.

kiku: boys any of u hungry?

kilik bane and ryu's growling guts gave that away

kiku: i'll make a quick run for food i'll be right back.

she ran out of the inn not after anything real expensive. just filling even if it was rice  
meanwhile

a great evil caused by the evil seed was hidden in the shadow of the city waiting for a meal. a blond french man of high nobility was standing with a young re teen perhaps with shocking fiery crimson curls in doll like pigtales. she wore something like gothic doll clothes. she looked at the man

man: its okay amy. tonight u hunt alone

the little girl amy looked at the man somewhat happy she was being trusted to hunt alone

amy: but papa!

rapheal: yes amy?

amy looked at him and received a hug

rapheal: after u eat return to the house and i'll finish soon

amy grabbed a rapier and ran into the town for her food while rapheal another direction.

he had smelt a real pure strong soul in this direction. he began to sprint to make it there in time. when he had found her he hid and saw her exit with grace from a stor. she was porcelain pale with striking powder blue eyes wearing a kimono top tied with a sash a pair of traing pants under it. she had a bag in her arms smiling sweetly she walked in his direction to a inn most likely. he smirked at his chance to jump her and steal from her what she needed to live. he crouched to the ground and like a jungle cat he pounced.

kiku had felt a strange present and backed away dodging the pouncing french man.

kiku: Who are u

she grabbed her bell staff from her sash

kiku: state ur buisness

she growled setting the bag on the ground twirling her staff about a light jingle sound to be heard.

rapheal: u are my meal for the night!

kiku: so u r a crazied monster from soul edge's creations are you not human anymore.

she growled holding her bell staff out in front of her.

rapheal: i will feast on ur soul tonight

he ran to her trying to slash at her with flamburt she dogged swinging around her bell staff. then with out notice she felt a sharp pain in her ribs

kiku: ahh!

a scream left her mouth and kilik heard it from the other side of the town. this would send him running for her.

kiku: bastard!

she swund knocking him in the side making him drop his blade.

rapheal: dog!

he wiped blood from his mouth glaring at the woman holding to her bleeding side.

rapheal: i'll make u suffer

he grabbed kiku's neck holding in his gloved hands.

rapheal: u'll make my night.

she growled and hissed in pain and anger. she fought against the gloved hand trying to free herself. as he was going to take a chunk out of her neck and soul something stopped him.

rapheal: who might u be

kilik: this young woman's lover y?

he shoved the man away from kiku who almost fell to the ground in a crumpled heap.

kilik: kiku are u alright.

she nodded and flinched he made a mental note to bandage her wound.

kilik: now for...u?

rapheal fled he knew his meal was far out of reach when her lover showed up

kilik: kiku?

kiku groaned in pain and kilik took his black sash and tied it over the wound til he could get her to the room to dress her wounds

kilik: kiku: stay with me kiku til we get u back alright.

he looked at her scared himself

## 18 - the battle of the vampire

kilik ran right into the inn room with a injured kiku in his arms.

kilik: kiku? kiku?!

kiku moaned in pain holding her side where the fabric was turning a purple or some red where the wound was. kilik got bandages and cleaned the wound. kilik was scared and he finished taping her wounds.

kilik: kiku?

kiku: im alive damn it.

kilik sighed in relief and held her trying to control himself.

the knock on the door made him jump before he got up. holding kali-yuga in his hands he ran over to the door swinging it open to revil ryu.

ryu: are u allright kilik? what happened to kiku!?

kilik: something evil is out there looking for souls to live and they tried to get kiku's! someone needs to go out and stop him or them!

ryu stood shocked how could he have not felt the evil

ryu: i'll go get it!

he rushed out of the room grabing his blade straping it on under his clock and skidded around a couner and then something happened. he felt the evil in the air at last

ryu: come out now!

raphael came out and looked at ryu laughing in his twisted way.

raph:u think u r going to stop me!?

ryu charged slashing like a crazy man anger in his eyes as did this trying to keep the swings rahp bocked unil he got a chance to run and get away.

ryu: coward!

## 19 - the aftermath

Ryu was angry when he re entered the room bane noticed this and keep quiet as he watched the orange haired man fume over a lost battle. he passed back and forth bane watched when kilik entered the room ryu sighed in deffet.

kilik: ryu?

ryu: he got away kilik

ryu punched a wall angrily fallowed by a kick.

kilik: calm down she is okay. sleeping right now.

ryu: im going on potrol!

he ran and kilik sighed

kilik: his temper is going to get him killed

kilik said going back to tend to the injured bane locked the windows and went to sleep.

kilik was bandaging kiku up and trying to keep him self calm under this situation. kiku was hurt and he cleaned the wounds throughly this had made him worry from all sorts of things.

kilik: kiku wake up

he ran his hand over the smooth pale skin of her cheek. he smiled at how calm she looked so calm.

kilik: u look like a angle about now.

kilik smiled a kiku reached up and grabbed his hand where she was sleeping.

kilik: i love you kiku

he kissed her lips gently he smiled at the fact she was in reach agian

smiling he went to bed morning had a huge suprise for them
