**Chapter 1 - lost**

**2**

## **1 - lost**

Lost is when your alone and anything can scare you,  
Lost is when you have no friends and everyone laughs at what you do,  
Lost is when you think your found but your not found at all,  
Lost is when they push you away and they just watch you fall,  
Lost? i know what lost is, it's who i am, it's how i feel, and it's what i've become.
