Chapter 1 - On These Wings

1 - On These Wings

Hiding from the stares of eyes,
These poems and rhymes become his protective lie,
Losing control, suicide, the only way to escape this life

Haunting voices,
Horrifying sights,
Call to him in the dead of night,
Echoing visions, eternal blight,
It's time he gave in this never-ending fight...

Heart and soul,
Destroyed and maimed,
And on these wings he soars far away...
Nevermore
To feel this pain...
Now the shame has gone away...
