# 1 - Remember Ember

Ember walks on the sidewalk in the cool, crisp air. The wind blows. Dead leaves fall. It was September.

"Why won't he call??? Its been too weeks!!!!" Ember said.

Two weeks, her boyfriend woundn't call. His life went on without her. Her life was a loosing game. Ember had lost her boyfriend. He dumped her.

But he shouldn't doubt her. He will remember her name.

"Oh, Ember, you will remember. Ember, one thing remains. Ember, so warm and tender. You will remember my name," she sang to herself.

Her heart has ventured. Her walls now perishing. Like dead trees in cold December, nothin' but ashes remain.....

## 2 - Notes/Lyrics

Ember died after her boyfriend dumped her. She died of a broken heart!!!!  
I luff Ember's song a lot!!!! So I wrote a story about it. I like it. But I might write another one someday or chage this one. Anyway here are the lyrics:

You Will Remember

It was,  
It was September  
Wind blows  
The dead leaves fall

To you,  
I did surrender,  
Two weeks  
You didn't call

Your life goes on without me  
My life  
A loosing game  
But you should,  
You should not doubt me  
You will remember my name

Oh, Ember!  
You will remember!  
Ember!  
One thing remains!  
Ember!  
So warm and tender!  
You will remember my name!

Your heart,  
Your hear has ventured  
Your wall,  
Now perishing

Like dead trees  
In cold December  
Nothing but ashes remain!

Oh, Ember  
You will remember!

Ember!  
One thing remains!  
Ember!  
So warm and tender!  
You will remember my name!

Ohwoah, Ember!  
You will remember!  
Ember!  
One thing remains!  
Ember!  
So warm and tender!  
You will remember my name!

Yeah  
You will remember my name!!!!!!!!!!!!
