Chapter 1 - Guy All The Fangirls Want

1 - Guy All The Fangirls Want

It's 8:00, pop the dvd in I'm waiting;
To watch a show about a guy I worship daily,
His name is Edward, he's a State Dog with a complex,
He uses alchemy, and I'm not quite sure how that works,

When he walks,
Someone will comment and he will scream;
"Who are you callin' BEAN?!"

He's using martial arts,
Creaming all the bad guys,
Using alchemy with a clap,
Golden brown simper in his eyes,

It's like a romance movie,
He's such a cutie,
Watch the show and you'll be,
Screamin' "Hawkeye shoot me!"
As I wish constantly,
Just to have the guy all the fangirls want!
He's the guy all the fangirls want!

The roads he's traveled makes me cry much,
So I can vaguely understand why he's mad at his dad,
With his sibling he's out to fix his problems,
This is the greatest show, it makes me feel glad!

When he walks,
Someone will comment and he will scream;
"Who are you callin' BEAN?!"

He's using martial arts,
Creaming all the bad guys,
Using alchemy with a clap,
Golden brown simper in his eyes,

He likes to banter Mustang,
Brood about his problems in the rain,
Pocket watch, automail,
Hope Hiromu doesn't end his tale!

It's like a romance movie,

He's such a cutie,
Watch the show and you'll be,
Screamin' "Hawkeye shoot me!"
As I wish constantly,
Just to have the guy all the fangirls want!
He's the guy all the fangirls want!
He's the guy all the fangirls want!
He's the guy all the fangirls want!

There he goes again,
Red coat on, gold braid in his hair,
Hestoleour hearts, it's not debated...
All we want is to see him naked! (XD)

Now I'm doing cosplay,
Acting like my tough guy,
Using fake alchemy with clap,
Goldned brown contacts in my eyes,
I can't braid my own hair,
I ain't got no automail,
All's I got is cardboard...cardboard...cardboard...

It's like a romance movie,
He's such a cuite,
Watch the show and you'll be,
Screamin' "Hawkeye shoot me!"
As I wish constantly,
Just to have the guy all the fangirls want!

He's the guy all the fangirls want!
He's the guy all the fangirls want!
He's the guy all the fangirls want!
He's the guy all the fangirls want!
(There he goes again)
He's the guy all the fangirls want!
He's the guy all the fangirls want!
(There he goes again)
He's the guy all the fangirls want!
He's the guy all the fangirls want!
