1 - Coming to Domino

A girl with long red hair that was held back with a purple headband walked off a train. She looked around the train station curiously before her blue eye's lite up and ran over to a boy with blond hair

"Hey Kiara, long time no see." The boy said before hugging her.

"Yeah! It's great to see you, where's Shizuka?" She said.

The blonde's name was Katsuya Jounouchi. The younger girl was Shizuka Jounouchi.

"Yeah, it's been...Four year's since we last saw you, and Shizuka's living with my mom, remember?" Jounouchi said.

"Ohhh..." Kiara said.

"Well, my friends wanted to meet you, do you mind?" The blond asked.

"Okay!" Kiara said.

"So lets get going." He said.

The two walked out of the train station.

"So what have you been up to Kiara?" Jounouchi asked as they walked through the city.

"Nothing much, me and Sarah meet once a month since she moved to Ireland, and I've been getting better at drawing so I can become a mangaka." She answered.

"Really, cool!" He answered.

"LOOK OUT!!!" They heard someone yell.

The source of the voice was nowhere to be found. Something collided with Kiara and she fell to the ground.

"Oh, I'm so sorry!!!" Kiara heard a familiar voice say.

Kiara opened her eye's to see a very familiar boy on top of her.

"Well never thought I'd see you again Taru, now care to get off of me." She said

Taru blinked for a minute before his eye's widened. "Kiara, holy crap, you've changed." Taru said before getting off of her so she could get up.

"Uh...Kiara, mind telling me who the heck this guy is?" Jounouchi asked.

"Oh this is my old friend Taru, his was one of my best friends when I lived in England, but about three years before I moved to Grandma's he moved to Japan." Kiara answered.

Kiara turned back towards Taru. "Taru, this is my cousin Jounouchi." Kiara said.

"Nice to meet you Jounouchi." Taru said before shaking his hand.

"Nice to meet you too." Jounouchi said.

Taru turned back to face Kiara. " Well, I've got to get home, my mom and dad are waiting, see you at school Monday?" Taru asked.

"Yeah!" Kiara said smiling. The wind blew through Kiara's hair and an old scar on her forehead that was normally hidden behind her bang's was shown. This caused Taru to frown before running off.

"Well that was a strange way to reacquaint with an old friend." Kiara said. "Well let's get home!" She said before running off.

"Wait! Kiara you don't know where your going!!!" Jounouchi shouted before chasing after her.

"Course I do, you haven't moved since I was last have you?" She asked as she ran off.

"No but-"

"Bet I'll beat you to the house!!!" Kiara screamed.

"Come on Kiara slow down!" Jounouchi groaned as he chased her down the side walk.

"And let you beat me? No way!" She said laughing.

Kiara passed the park and stopped. Her eye's lite up once again as she saw the cherry blossom's on the tree's. (It's spring time)

Jounouchi stopped half way running into her. "Kiara! Warn me when you're going to do that!" Jounouchi screamed.

"Calm down! Your ruining the moment!" Kiara said annoyed. But then gazed up at the beautiful cherry blossoms and sighed.

"They're so pretty!" She said.

"Can we go home now?" Asked Jounouchi.

Kiara looked at them for a few minute. Kiara then giggled and ran off. "I'm still going to beat you!" She

said as she ran towards the house.

Jounouchi sighed as he ran off after his cousin. "God Kiara can't you wait up?!" He asked panting.

"Nope!" She shouted.

Chapter 1 end-----

Yeah, I just Plain HATED my first chapter for the first version of this story so Yeah I rewrote it.

2 - Paint

Kiara giggled as she enter the spare room. The wall's were white. Which would eventually drive her mad. She ran out of her room after putting her bags down and grabbing her wallet. She looked for Jounouchi. She found him in the living room watching TV.

"Jounouchi can I paint my room?" She asked.

Jounouchi turned to look at her. "Why?" He asked.

"Because white walls will eventually drive me **MAD**." She said.

"Well I don't want you to go mad so sure." Jounouchi said.

"THANK YOU!!!!" Kiara shouted before hugging him. "I do know where I'm going!!!!" She shouted as she ran out the door.

Jounouchi shook his head. "Cousin's," He said sighing.

Kiara smiled as she walked down the street, looking for the hardware store. She found herself a little confused

"Shoot, I'm lost." She mumbled to herself as she stopped at the corner of a sidewalk.

"You really haven't changed at all have you, Kiara?" She heard a voice from behind her say.

She turned around to see Taru.

"And what are you talking about Taru?" She asked in an annoyed voice.

"You used to always get lost when we were kids and me and Sarah would have to go searching for you." Taru said.

"I did not! I just got side tracked and lost you two!!" She said.

"Sure you did, now anyway what did you get lost looking for this time?" He asked.

"Hardware store." She said.

"Why are you looking for the hardware store?" Taru asked.

"I need paint, now stop yacking and become my tour guide! NOW!" She demanded.

"Fine, fine, no need for shouting." Taru said as he lead her across the street.

Kiara smiled. "Hey Taru want to help me paint my room today?" Kiara asked.

"Sure, now I see why you want paint, you artist." He said.

"Yeah." She said smiling.

3 - Butterflies and flower's

"Have you ever thought of trying to become a mangaka Kiara?" Taru asked as he look through Kiara's picture on her phone of drawings.

"Yeah, but it's way to hard to find a company to accept your art and trying to find a plot for the manga." Kiara said as the two walked into the hardware store.

"Okay what color's do you need?" Taru asked as they reached the paint section.

"A can of light purple, green, a dark yellow, dark blue and dark purple, black, white, and a light light pink." Kiara said.

"God what do you plan on painting?" Taru asked as he and Kiara searched for the color's.

"Butterflies and flower's, oh and we need red." Kiara said as she put some color's she found in the cart.

"Sounds like we're painting a little girls room rather than a room for a 15 year old." Taru said in a teasing tone.

Kiara then smacked him on the head.

"You never will quit doing that will you?" Taru asked as he put some more paint cans in the cart.

"Nope! It's too much fun." Kiara said.

Kiara put another can of paint in the cart. "I think we got all the color's, now we need brushes and pint roller's." Kiara said.

Taru nodded and fallowed Kiara to where they kept the paint brushes. She hadn't changed much since they were kids. "Taru!!! Come on, I've got everything I need!" Kiara shouted.

"Okay!" Taru shouted as he pushed the cart to the check out line.

After they had walked back to Jounouchi's place and the got right to work with moving the the desk, dresser and bed. Kiara didn't unpack because she planed on painting. Once everything was moved out and the floor was covered Kiara opened up the can of light purple and began to paint the wall.

"Taru grab a brush and join me with painting." Kiara said.

Taru sighed. "Demanding much, are we?" He asked laughing.

"YES! Now hurry up and grab a brush before next year!" Kiara said flicking some paint at him.

"Hey what was that for?!" He asked.

"You taking forever." She answered as she continued to paint the wall purple.

Taru sighed as he grabbed a paint roller and dunked it in the purple paint before painting the wall.

"So, how was living in England?" Taru asked.

"Good, you know a couple of years after you and Sarah moved I was taken away from my father and lived with grandma up until a year ago," Kiara said.

"Why'd you come here?" Taru asked.

"Last year my grandma got very ill and didn't get any better, she just died one day, for a year I lived on my own, but it was very lonely then me and Joey got the idea of me moving in with them." Kiara said.

"What happened to your parents?" Taru asked.

"...I don't know, I know my mother died in a car crash a year or so after I was sent to live with my grandma." She said.

*_*_*

After an hour they were done painting and were waiting for it to dry so they could continue and paint the flower's and butterflies.

"Hey Kiara, its getting closer to dinner time and I need to go shopping, let's finish it tomorrow." Taru said.

"Okay, see you then." Kiara said as she watched him leave through her window.

"Hey Kiara," Kiara turned to see Jounouchi standing in the doorway. "Yeah??" She asked.

"My friends called and invited me and you out to eat, want to come?" Jounouchi asked.

"Yeah! I'd love to, let me just go change really quick." Kiara said as she grabbed some clothes out of her suitcase and ran to the bathroom to change.

Jounouchi laughed. "She's *a*lways full of energy." He mumbled to himself.

After a couple of minute's she returned. She was wearing a light purple tank top with a white jacket and a pair of jeans. Her hair was still held back with a headband only it was white and had a little flower on the side.

"You look nice." Jounouchi said.

"Thank you Jounouchi ." Kiara said.

"Well lets get going" Jounouchi said as the two walked out to the spring evening.

Suddenly the bracelet Kiara was wearing began to glow and an image appeared in her mind.

She was facing a man with spicky tri-colored hair and lightning bolt bangs, she couldn't see his eye's though. She was wearing a light tan dress that went to her knee's, she had tan skin and so did the man, it seemed they were in Egypt and not Japan.

Once she had returned to reality she found the Jounouchi was shaking her shoulder's.

"Kiara.Kiara!" Jounouchi shouted.

"Huh?" She asked.

"You spaced, god don't scare me like that." Jounouchi said.

"You worry to much Jounouchi-Kun." She said as she walked a little bit ahead of him.

"Again you don't know where your going!" Jounouchi shouted.

"I know we are going somewhere to eat so just tell me when I'm at the right one!" Kiara shouted, giggling

4 - Meet the gang!

"There! Stop there or you will get lost!" Jounouchi shouted as Kiara stopped in front of "Burger World".

"Okay," Kiara as she walked inside with Jounouchi behind her. "Where's your friends at?" Kiara asked looking around.

"Right there." Jounouchi said pointing towards a group of kids their age.

Jounouchi walked over to the table they were sitting at. "Hey guys!"

"Hey Jounouchi , who's your friend?" One of them asked.

"This is my cousin Kiara, she'll be living with me till she gets her own place." Joey said.

"Kiara, that's Yugi, Anzu, and Honda." Jounouchi said pointing to each of them.

"N-Nice to m-meet you guy's." Kiara said.

Yugi had spicky tri colored hair, lightning bolt bangs, and violet eye's. He looked just like the man in her vision only with less bangs. He wore a blue school uniform and a golden pendant that had the same symbol her bracelet had on it!

Anzu had short brown hair and blue eye's. She wore a yellow tube top with a pink jacket over it, Short's and black tights.

Honda had brown hair in a spike and brown eye's. He wore a grey shirt with a black jacket over it and jeans.

"Nice to meet you Kiara." Yugi said.

Kiara nodded. She took a seat beside Yugi and Jounouchi sat on the other side of her.

"So Kiara, where did you live before here?" Anzu asked.

"In England with my grandma." Kiara answered.

"Cool!" Anzusaid.

"Kiara do you duel?" Yugi asked.

"Yeah!" She said smiling.

"Do you have your deck with you by any chance?" Yugi asked.

"Yeah its right here." Kiara said as she got it out of her pocket and handed it to Yugi.

Yugi looked through her cards. Another person looking exactly like Yugi apered next to him, only he was transparent. "Yami is something bothering you?" Yugi asked him.

"The girl...Kiara, she seems familiar." Yami said.

"Do you want to take my place then?" Yugi asked him.

"Yes." Yami said.

The puzzle began to glow and Kiara covered her eye's from the blinding light. When the light had faded she uncovered them.

"Jounouchi what was THAT?" Kiara asked.

"Uhhh...Yami care to explain it to her?" Jounouchi asked.

"Uh Jounouchi I thought you said his name was Yugi.." Kiara said.

"Yami will explain it to you." Jounouchi said.

Kiara turned to look at Yugi but when she turned to look at him she wasen't looking at Yugi anymore she was looking at the man from her vision.

"Hello Kiara." Yami said.

"Uhh..." Kiara said, at lost for words.

"Hey Yami how about you explain it to her outside so no one thinks you're crazy." Jounouchi said getting up.

"Good point." Yami said.

Kiara got up so Yami could get up(yes they're sitting at a booth.) She fallowed him outside wodering why Jounouchi thought people would think they were crazy.

"I know this may seem unreal but I can explain." Yami said.

"O-Okay," Kiara said.

"I go by many names such as "Yami "Pharaoh" and sometimes "Other Yugi" and "spirit." Yami started "I am the spirit of a Pharaoh that was sealed away in this Millennium Puzzle around my neck, 3,000 years ago. I share a body with Yugi. He's not gone, or anything like that. His spirit is inside my Millennium Puzzle. We switch places from time to time. But usually only when he needs me or in a duel. I was brought into the present to protect mankind once again for the shadow games. As I did 3,000 years ago

as Pharaoh, I believe. The only problem is, that I have lost all my memories of my past as Pharaoh. Even my true name. So Yugi and our friends are helping me find clues to my past along the way as I fight against evil. So far, the people I have fought against have owned a Millennium Item. 7 Millennium Items were made. I hold one of them, as you can tell."

Kiara didn't know what to say...All of a sudden her She saw little black dot's covering her vision for a moment.

Kiara made a odd sound and shut her eye's tight and covered them with her hands.

"Whats wrong?" Yami asked.

After a moment her vision had cleared up. She shook her head. "It's nothing, let's get back inside the gangs probably wondering whats taking so long." Kiara said. She was about to go inside but Yami stopped her.

"Kiara can me and Yugi trust you with our secret?" Yami asked.

"Yes." Kiara said as the two walked back in the building.
