# 1 - Eternity

## Eternity

I'm scared...but I'm not afraid.  
If such a thing is even possible.  
I've only got one chance,  
one more shot at fate.  
It's one more step through the looking glass  
and destiny is on the other side.  
There hope and despair look just the same  
and slowly you pull away the pieces of my shattered mask.  
A soul crying desperately to you in a silent scream.  
You know the real me.  
No more hiding.  
No more shame.  
It is time to accept eternity.  
I'm endless  
But not empty.  
I dream but only in nightmares.  
I know but knowing is only half the story  
The rest is up to me and you.  
I will never be whole  
I'm endless in a horrid way  
but at the end of the day...  
I love you anyways.
