# 1 - Untitled

Painful me

you love me,

you love me not,

you cant live without me,

I guess you forgot,

I am your life,

I am your love,

I am your angel,

from heaven above,

I am your lie,

I am your hate,

I am the one ,

you chose to degrade,

I am broken,

I wish to die,

all I can do now,

is softly cry,

you took my heart,

broke it in two,

all the lies,

all the I love you's

So thank you again,

for killing me,

without you,

I would still be,

I will never smile,

I will only cry,

I will hate love,

until the day I die,

You are so cold,

how could you be,

you took my heart,

and busted me.
